The Father Almighty or Allah has told Me;

"Angie, highlight some wickedly tricky plans of pussy pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants leaded by Prayut Chan-o-cha, all the Thai people, and their foreign co-workers again;

To **tempt** Will, Daddy Charles, Harry, Your New Family, Most of English People, the good, and everyone who is allowed to be in The New Better World into continual believing "This is a test" so as not to take any responsibilities for the felonies and the crimes they all have offended their victims and Us, the satanic agreed with Me at the start to restore many things to his victims and Us such as Real Appearances and properties but not to restore real appearances of many harlots so as to **lying the lies to** foreign people including judges and juries at every court of law to **blacken** their Targets to blacken after We will have flown out of the border of Thailand and I will have restored real appearances of everyone including the harlots;

"These are not our real appearances. Our real appearances are at the time Angie, Her Parents, and Her Group were in Thailand but the test was ended. There are wickedly tricky people who strongly want to blacken us in that they will feel the greatest victory if they succeed in blackening us as we are the best. Therefore, because Prince William of The British Monarchy is not The Real Son of The God and The Real Soulmate of Angie, so since Angie, Her Parents, and Her Group went out of Thailand with Prince William, Prince Harry, and Prince Harry's Soulmate to fly to The Holy Home, Angie, Her Parents, and Her Group have been at the most dangerous place. Thus, the real felonious leaders who strongly want to blacken us (as we are the best) have been able to order The God to change our appearances to blacken us!"

Once again: The Father Almighty or Allah has told Me many times to tell you to know some thoughts of pussy pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and their all consultants leaded by Prayut Chan-o-cha;

"Angie. **They planned to succeed in their excuses and lies because they thought "คนอื่นโง่กว่าพวกมันหมด!" or can be translated in The English Language "All the other people are more idiotic than us!"**

And once again: **I would like My Words to be One of The Evidences: "I really feel truly very bad to be sent to be born in Thailand, the country which even soldiers whom almost of are men are backbite dogs and genuinely pussy!"**
