The Father Almighty or Allah has told Me;

“Angie, tell everyone the conditions of the resentful (Green-eyed monsters);

There were “Rosa ‘Queen Elizabeth’” in **1954** which was awarded “World’s Favourite Rose” in 1979.

After there had been “Rosa ‘Queen Elizabeth’” in **1954**, there were “Rosa ‘Queen Sirikit’” which were named by Andre Hendrickx and were noted by himself “**พระราชินีแห่งประเทศไทยทรงพระสิริโฉมเป็นเสน่ห์แบบตะวันออก เหนือตะวันตก**” or can be translated in The English Language “The queen of Thailand is attractive (charming) in the eastern style, over in the western style” in **August 1971** even though the flowers were succeeded in developing in **1968** and was awarded at Belfast Rosa Competition, North Ireland, the UK, in **1970**. (Prostitute queen Sirikit was born on 12 **August**.)

The Father Almighty or Allah asked Me “Angie, do you think what had happened between the satanic Chakri dynasty and Andre Hendrickx before the roses were named “Queen Sirikit”?”

Later on, there has been many flowers and many trees which were named “Sirikit” and names of her offspring by the royal project foundation of the satanic Chakri dynasty!

The Father Almighty or Allah has told Me “Angie. Prostitute queen Sirikit has thought “**ชื่อของชั้นต้องเป็นชื่อดอกไม้และชื่อต้นไม้มากกว่าควีนอลิซาเบธนะ!**” or can be translated in The English Language “My name must be named for flowers and trees more than Queen Elizabeth!””

And since August 1971, there have been new species of roses which were named of each offspring of prostitute queen Sirikit such as “Rosa ‘Sirindhron’” and which were named “Rosa ‘Queen Suthida’” (Rosa hybrida ‘Royal 3’), and there have been many Thai flowers and many Thai trees which were named of prostitute queen Sirikit and her offspring.

2 or maybe 3 days ago, I had a chance to read a piece of the news “The royal project foundation has developed a new species of roses which was named “Bajrasiri Princess” in which came from the name of princess Bajrakitiyabha and princess Sirivannavari”!”

The Father Almighty or Allah has told Me to ask you “Angie, ask foreign people: Why the royal project foundation of the satanic Chakri dynasty has usually developed species of roses which are England National Flower but does not develop species of Thailand National Flower?”

And The Father Almighty or Allah has told Me to tell you “Angie, tell the foreign people: You will know what all the Thai people are from the deeds of the Thai king, the Thai queen, and all the offspring of the Thai queen!”
