

รายละเอียดสินค้า อุปกรณ์เสริมสำหรับไม้กั้นประตูเข้า-ออก

Bluetooth Long-range Reader System

- * Optical excitation, CDMA, sleep wake up, wireless communications, CPU automatically identify other high-tech crystal
- * Reader speed ,10-40 km per hour may stop readers
- * Reader distance adjustable 3-20 m
- * Having good direction, optical excitation range up to 120 degrees
- * The use of advanced CDMA communication technology, there is no interference with the adjacent lane
- * Do not stop, do not open the window for reading a card

Features

- * Operating modes: optical excitation positioning, CDMA communications
- * Read direction can be adjusted in six direction: up and down, left and right, depression angle and elevation angle
- * Anti-collision multi-card deal
- * Wiegand 26 and RS485 output

Technical parameters

Power Supply	DC 12V/3A
Frequency	433MHZ
Infrared Frequency	38KHZ
Reader	1-20 meters maximum distance
Reader Response Time	0.1 seconds
Reader speed	0.5 seconds
Reader time interval	0.5-0.8 seconds
Operating temperature	-30°C~ +70°C

**Long-range Reader**
