

Hose Kit

Easy Go Easy Flow

Source: Liberty Times Net

APPLICATIONS

The Hose Kit provides an easy and efficient solution for diverse settings like flooded basements, shops, residential areas, construction sites, and more.

The Hose Kit is compatible with 2" pumps. Its angled LOT male thread/LOH outlet discharge prevent the hose from overbending for a smooth drainage.

The PRO KIT comes with simple, secure and quick connect Storz fittings. Ease of convenience for mobility and storage.
