* Netflix membership required.

Control Room .... Server •• IP or RF •• Hotel Rooms

Pro:Centric Direct

The hotel content management solution Pro:Centric Direct offers easy and simple editing tools, making it easy to perform service and IP network-based remote management with a single click. The Pro:Centric Direct solution enables users to edit their interface easily by providing customized interface and efficiently manages all TVs in the room. It provides IoT-based in-room control that will be your starting point to prepare for the hotel rooms of next generation through artificial intelligence.

* Some features may not be supported based on PCD versions.

57.7 mm*

Slim Depth for a Sleek Look

With a slim design, the UM660H / UM662H series integrates smoothly into the interiors, delivering a modern impression to guest.

* In case of 65" TV (43", 50" : 57.1 mm, 55" : 57.5 mm)

* All images are for illustrative purposes only.

Conformal Coating

TVs in hotels or resorts can't avoid exposure to environments with salt, dust, iron powder, and humidity, which may lead to hampered performance over time. Conformal coating on the major circuit board (power board) significantly reduces these risks from such environments by protecting TVs from salt, dust, iron powder, humidity, etc.

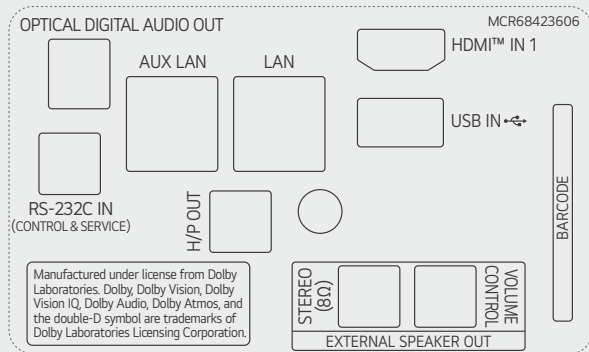

Game Optimizer

LG Game Optimizer will get you and keep you in the action through selection of game mode, picture adjustment and etc.
