10 Principles

Christians use to lead your lives;

One: Believe in The Father Almighty (and The Prophet ©©)

Two: Ethics as the basic principle

Three: Integrity

Four: Work loving

Five: Responsibility

Six: Will of super action

Seven: Respect to the law and rules

Eight: Respect to the rights of other citizens

Nine: Punctuality

And

Ten: Strive for saving and investment

Could you all remember?

And The Father Almighty truly wants Me to remind you;

"Normally,

almost all Christians

do not envy

nice people, better people, or successful people.

Habitually,

almost all Christians

admire

nice people, better people, and successful people.

So.

before 2000,

your country was civilized, developed, and prosperities."

Remark: On 28 April 2024, after I had opened the app "Music" on My MacBook Pro, I found that I had jockeyed the song "F**kin' Perfect" sung by P!nk nearly **700 times!**
