

Before selling and buying

My Father (Daddy Jamnong) has A Hard Life All His Life. Now, He is an 80 years old patient of many dangerous diseases such as leukemia. He got acute kidney failure once.

I am 50 years old, a year old that many people have works which earn enough money to spend for their lives. But because foreign people including Prince William, King Charles, and Prince Harry have not understood what else is My Work, so I have been severely tormented 24/7 to die, but payment is very, very, and very low. I am also a parasympathetic disorder patient and SLE patient because of the severe torments. And My Hypothalamus works abnormal with the result that I cannot stand hot weather too.

Now, We do not have enough money to monthly use, for example: electricity costs. Thai teachers have the worst income among Thai government officers. Now, the Thai teachers receive salary at least 18,000 THB per month. But I receive My monthly expenses from My Mother only 12,000 THB per month and money to buy medicines 2,300 THB per month in that all the Thai people strongly want Me, My Parents, and My Group to have hard Lives.

My Mother has gotten pension around 40,000 THB per month but We need to spend the 40,000 THB per month for all people in Our Family. So, My Mother has given Me My monthly expenses as much as She can. My Father has income from his rubber garden. If it rains, My Father is not gotten raw latex. And it usually rains. And if you know prices of raw latex, you will know why We do not have enough money to pay for electricity costs.

Whereas, Almighty or Allah told Me “Angie, You have not known all agreements which the satanic made with Me at the start” and “Angie, try posting Your things on Your Website to sell!”

Therefore, **I am selling My thing on My Website starting from September 2026** to help My Parents to have Better Lives while the time in agreements between the satanic and Almighty at the start to allow Prince William, King Charles, and Prince Harry to know The Truths “We are fooled into waiting for the end of the test, the end of The World, Jesus, and The Judgement” and “We are under control” has not come. And because I truly want many good middle-class people to have a chance to possess My thing, so Prices of My things are started from only 5,000.00 GBP to 150,000.00 GBP.

If you are a good middle-class person and buy My thing to gain much profit later, I understand you 😊😊. But if you share some of the much profit out with a person or people who lack(s) a necessary thing(s) in his (or their) life (or lives), I will **much** appreciate 😊😊.

To prepare yourselves, these are example of payment terms and conditions;

You agree to comply with My guidelines, rules, and policies regarding the purchase of My things through the website. Besides, you acknowledge and agree to be bound by the changes published on the platform. The payment terms and conditions will apply to purchase order(s) and payment(s) made between you and Me.

1. You agree;
 - 1.1 You **are not** a Thai person or Thai people.
 - 1.2 You **are not** a co-worker or co-workers of a Thai person or his co-worker(s) or Thai people or their co-worker(s).
 - 1.3 You **do not** buy My thing (or things) instead of a person or people in 1.1 and/or 1.2.
 - 1.4 If you **violate** these payment terms and conditions, I **will not** send My thing (or things) to you, I **will not** refund your money (I **never** approach and/or involve with the wicked. And I have **a human right** to choose to approach and/or to involve with other people. So, your money will be **some** of the compensations and interests for the violation of 1.1, 1.2, and/or 1.3), and/or after I will be at The Holy Home, Almighty **will** move My thing (or things) back to Me!
2. You agree to pay for My thing (or things) by a credit card or a debit card that can be used for a legal settlement.
3. I will ship My thing (or things) to you as fast as I can after your payment is received in My account.
4. You agree not to exchange or return My thing (or things) which you successfully paid for under no circumstances whatsoever. However, if you violate 1, 1.1, 1.2, and/or 1.3, the conditions are up to 1.4.
