

Will,

Will. This letter was sent to You after Kate Middleton, George, Charlotte, and Louis had been out of the positions and Your Palace, and then You had called Me 😊😊. So, after Daddy Charles and You read the topic “Something significant I would like to consult King Charles, Prince William, and Prince Harry” (September 2025 Version), the following paragraphs are My advices which Daddy Charles can use for applying to talk to pimp mha Vajiralongkorn, the satanic Chakri dynasty, the Thai prime minister and/or the Thai government to let Me, My Parents, and My Group go 😊😊 ...

... “William not only listens to Angie’s thoughts but also talked to Her and read Her letter. Angie insisted to My Son that since She was a senior student at Thammasat University, She has never wanted to live Her Life in Thailand. And She cannot leave Her Parents and Her Group to live Their Lives in Thailand too. ...

... She told My Son “My Dad has got many diseases such as prostate cancer, leukaemia, stenosis, coronary artery disease, and kidney failure. My Mom has got 3 diseases: heart disease, diabetes, high blood pressure, and tends to be breast cancer. And I have got epilepsy, parasympathetic disorder, lupus, and Rheumatoid. But after We will have arrived The Holy Home, We will return to be Healthy People. Whereas, all Thai people and all evil foreign people will have the conditions which I, My Parents, and My Group were, but they cannot find any medical reasons why they all have the conditions like these” ...

... And She requested My Son to fast help Her, Her Parents, and Her Group to go out of Thailand to fly to The Holy Home”

Will, if they ask Daddy Charles “If Angie does not want to live Her Life in Thailand, why has She planned to buy Her New Homes?”, Daddy Charles has to answer them “Angie has never wanted to live Her Life in Thailand since She was a senior student at Thammasat University, but She has planned to buy New Homes in Phuket because The Father Almighty told Her “After Will will have called You to help You, Your Parents, and Your Group to go out of Thailand to fly to The Holy Home, the pimp king of Thailand, the satanic Chakri dynasty, and all Thai people will continually detain You, Your Parents, and Your Group in Thailand until a day on which You, Your Parents, and Your Group will be disappeared from Thailand to appear at Will almost comes” and She knows what all Thai people planned to do. She cannot tolerate liars, pretence, and drama, so She wants Her New Homes to be comfortable and to be so very much delightful to live for Her, Her Parents, Her Group, and Our staff in order to spend most of Her time at Her New Homes while She is being detained in Thailand. And if you usually listen to Her thoughts, you will know that She planned to request The Father Almighty to move Her New Homes

and everything She pays for and is imported to The Holy Homes and then, London, Wales, Bath, Bournemouth, and Brighton.”

Will, if they ask Daddy Charles “If Angie does not want to live Her life in Thailand, why She prepared many things to live Her life in Thailand?”, Daddy Charles has to answer them “Because Angie knows that The Father Almighty can move everything She requests Him from Her homes in Thailand to The Holy Home!”

Will, if they tell Daddy Charles “Angie should live in Thailand until all goods which she has bought online arrive Her Home”, Daddy Charles has to answer them “Nothing The Father Almighty cannot do. He can move everything Angie bought from Her Home to My Palace in London. She just writes a board to tie on the wall at the fence of Her Home to tell postmen in order to put the goods She bought in Her Home the same as they all always did!”

Will, if they tell Daddy Charles “Angie should be in Thailand to finish Her second book before”, Daddy Charles has to answer them “The Father Almighty told Angie “Angie. I know how You will correct and design Your book. So, if the pimp king of Thailand, the satanic Chakri dynasty, the Thai prime minister, and/or the Thai government quickly let You, Your Parents, and Your Group go before You will finish Your book, I will help the book to be ready to publish after a trustworthy royal flight will have flown out of the territory of Thailand!” Daddy Charles should ask them “You want Angie to finish Her book before let Her go to accept that all information which She writes in Her books are all the truths, right?”

Will, if they request Daddy Charles for more time to investigate and find evidence, Daddy Charles has to answer them ...

... “In 2000, more than 85 percentages of Thai people are drug addicts and/or drug sellers. And I believed that you knew what else Angie has told foreign people in Her books and in many of Her topics on Her website. So, why do you believe that judges and juries at every foreign court of law will fully trust witnesses and evidence from Thailand. If you all are innocent, you do not need to be afraid. After Angie, My Sons, Her Parents, and Her Group will have been at The Holy Home, The Father Almighty will tell all truths to everyone and will be The Best Witness at every court of law. So that, just quickly let Angie, Her Parents, and Her Group go out of Thailand with My Sons to let everyone know you all are innocent! ...

... Because of these, and because Angie and Her Parents need to be hurry recovered, so you have the time to make a decision will you let Angie, Her Parents, and Her Group go out of Thailand with My Sons 3 days from today. If you do not allow, it shows that you, your family, all Thai people, and Thailand strongly aim to detain Angie, Her Parents, and Her Group in Thailand to commit the felonies and the crimes to Angie, Her Parents, Her Group, and foreign people all over the world continually. In that the time you spend to make up your mind are the days Angie, Her Parents, Her Group, and tremendous foreign people all over the world are tormented, and the more the day Angie, Her Parents, and Her Group are in Thailand, the more the day Angie, Her Parents, Her Group, and immense foreign people all over the world are tormented! ...

... If you do not let Angie, Her Parents, and Her Group go out of Thailand with My Sons within the deadline, after that, Angie buys Her New Homes in Phuket, you must not alibi that Thai police officers were interrogating and finding evidence and/or you just figured it out what you must do after Angie had bought Her New Homes in Phuket in that it is each 3 days for making a decision what you must do to stop the severe torments of everyone! ...

... Did you see what happened to Syria, Ukraine, Gaza, Lebanon, Japan, China, Libya, Hong Kong, the US, the UK, and many countries all over the world? ...

... I and My Sons believed that you all including high-level Thai police officers knew Universal Declaration of Human Rights!"

Will, You have to request Daddy Charles to record every conversation between Him and every Thai person He talks to too.

Anyway, Will, because Daddy Almighty told Me "Angie. The pimp king of Thailand, the satanic Chakri dynasty, and all Thai people will not easily let You, Your Parents, and Your Group fly with Will, Harry, and Harry's Soulmate surely", so Will, may I keep My books and important things at Your Palace to be ready to come Home (The UK) and to help them to know that I do not strongly want Myself, My Parents, Angel Lek, and Saint Nuay to live Our Lives in Thailand? I will pack them, and Daddy Almighty told Me "British Embassy Bangkok can send them to Will's Palace instead of You"

Nevertheless, Will, while I am being detained in Thailand, I need;

1) A Personal Assistant (Only one woman (or up to Your decision)) for being My senior friend and helping Me to operate My Personal Life.

2) Bodyguards (I prefer Mr. No O as the leader of the team 😊😊 and 5 women (or up to Your decision)). I need them because I and/or My Parents will usually go to hospitals. And I and/or My Parents will sometimes go outside My Home.

3) The Head of Housekeeper.

4) Assistants for The Personal Lives of Mine and My Parents (12 women (or up to Your decision)). 2 women (or up to Your decision) love to look after and take care of elderlies who are patients. 4 women (or up to Your decision) love to cook especially cooking for elderlies who are patients, and love to keep our kitchen, dining room, dishes, and glasses (including washing dishes and glasses). 4 women (or up to Your decision) love to clean accommodations, garages, and street around My Home (including water the plants). And 2 women (or up to Your decision) love to keep clothes (Especially iron clothes – I love to wear shirts 😊😊.), can shampoo and blow My hair, can do hair removal, and can clip My nails, My toes, and decorate skin around them for Me.

My more requests:

- Because Thailand is so very much hot, so the assistants who have responsibility to clean accommodations and the assistants who have responsibility to keep the clothes will work 2 rounds a day: Morning Round from 8:00 am – 11:00 am / Evening Round from 3:00 pm – 8:00 pm. However, they have to work in office hours on days when they work in air-conditioning rooms.

- The assistants who have responsibility to look after and take care of My Parents have to have much knowledge of nursing and food and beverage for elderlies especially vegetarian meals. And they can work overtime too.

- The assistants who have responsibility to cook will work for breakfast, lunch, a meal between lunch and dinner, and dinner. They need to learn to cook meals which My Parents and I love to eat from My Mom. And they need to clean Our kitchen, dining room, dishes, and glasses too.

They need to work in shifts (Saturday or Sunday), 5 days a week, and must stay in only their accommodations – **must not go out of their accommodations.**

5) Assistants for multi-purposes (Strong English men and must stay in only their accommodations – **must not go out of their accommodations**) to;

(1) Help Me about all Apple devices (He has to have knowledge about Apple technology)

(2) Drive My van or the pick-up truck of My Dad when I and/or My Parents go out of Our Home. They need to stand by to go to a hospital **every time** including at midnight or at dawn (I worry if it has **emergency case**). And they must stay at only their accommodations – **must not go out of their accommodations** except I and/or My Parents want to go out of Our Home. Will, I prefer 2 men (or up to Your decision) ☺☺.

(3) Help Me to pack My books and important things to send to Your Palace by DHL (including making lists of My books and important things for DHL, British customs, and The British Government)

(4) Bring suitcases of Mine and My Parents to London.

Will, men for (3) and (4) will frequently come to Thailand and go back Home (the UK), so they will stay at bedrooms for visitors.

And

(5) Keep Our Home at Lad Prao 48, Bangkok to be safe. (I prefer a pair of couple (or up to Your decision) ☺☺.)

And

6) Assistants of all staff to help them to;

(1) Clean their rooms and their Homes

(2) Keep their clothes

(3) Cook for them

Will, to accomplish One of Your Missions, could You please be responsible for salary, overtime, and everything which all staff need while they are doing their Missions in Thailand?

Will, all staff need to understand daily and easy Thai words (Because they can learn the Thai language from Me, and they will teach daily English words to Me too ☺☺.) By the way, all staff must stay at only their accommodations – **must not go out of their accommodations**. If the staff want to go out of their accommodations, **they need to contact Me to ask Me for a permission before**. As a result, **please choose staff who love to spend his/her relax time and spare time to read books in his/her accommodation, to listen to music in his/her room, and/or to watch movies from cable TV in his/her room and they need to be able to live in double bed rooms (They can match their roommate by themselves)**. I do not want staff who love to go nightclub, love to travel, or love to discover a new thing in a new place. ... After all staff will have finished their Missions, and My Auction will have been finished, **I will reward them by sponsoring them and their families to relax at Maldives or anywhere they want with budget not more than 100,000.00 GBP per family (Up to members of their families)**.

Will, please tell all staff **“Angie detests and doesn’t want all of Her staff to involve with, talk to, and make friend with Her enemies, and all Thai people whom She doesn’t involve with, talk to, or make friend with”**

By the way, Will, refer to the first truth (The truths of the Thai banks) in the topic “4 Truths Our God wants Me to tell You (25 December 2023)” on My website and refer to My necessity, so to prepare Myself for “staying” in Thailand and for being ready to go out of Thailand to “live” in London;

1) Could You please urgent run the process to help Me, My Parents, Angel Lek, and Saint Nuay to completely be British people backwardly since Our Birthdays and to have British passports? And could You please ask whom it may concern “Can Angie legally use the name: “Angie” and surname: “Wales” instead of Angie Noophakdee in Her British ID card and Her British passport? ☺☺

2) Could You please fast open a new bank account in London for Me;

Account Name: William Wales for Angie Wales

Type: GBP Account

For: Deposit royalty and income from My book

And could You please quickly request the bank for a British credit card for Me? (If it is impossible, may I have a minor card of Your major card?) And then, could You please immediate assign Your trustworthy British person to urgent bring it to Thailand to Me? ☺☺

3) Will, the next request is about My book “Is Jesus Christ coming? (Completed Historical Edition)”. I have spent My time to assemble My documents to be My book. And **Daddy Almighty is the auditor of the book and a designer Who designs My book up to My style. My book tells “the truths” including “the truths of You and The British Monarchy” and “the truths of many innocent foreign royal families” to all readers.** But My book tells **the truths of “many evil but influential people in the world”** too. So, Daddy Almighty told Me **“Your book needs to have VIP to support to be published** in that it must fight against “the evil but influential people in the world””.

Will, **I need to have My own income.** If I can earn money for My Parents and Me, I will be **proud** of Myself. Another reason is that all Thai people have been ready to look down on Me **“Angie comes from “the prostitute country”, so She asks Prince William for much money to spend for Her life”**. Will, Daddy Almighty also told Me **“Donald Winchester from Watson, Little Ltd, Jonny Geller from Curtis Brown Literary Agency, and some English literary agencies whom You sent Your proposal to want to help You to publish Your book.”** ☺☺

However, Will, Daddy Almighty told Me “Publishing is one of the businesses of The British Monarchy” And “Daddy Charles will buy copyright of Your book. So, the copyright will be the mutual right of ownership between You and Will, and You will have investments to hire a publisher to publish Your book”. Will, **I have written “the truths”**. So that, **could You please support My book to be published by asking Daddy Charles for buying the copyright of My book?** 😊😊

4) Will, because an Android mobile phone is not secure enough, so could You please buy an iPhone 17 Pro Max and some products of Apple which are in the topic “Apple products from Prince William for Me” from Apple in London instead of Me, and assign the trustworthy British person to fast bring them with the British credit card to Thailand to Me? (I will pay You for the Apple products later.) And after I get My iPhone and finish managing bank applications on My iPhone, could You please lend Me Your money **555,000.00 GBP** by quick transferring it to My Krungsri bank account;

Bank: Krungsri

Swift Code: AYUDTHBK

Savings Account

Account Name: Miss Angie Noo-phakdee

Account Number: XXX-X-XXXXX-X

Total Amount: 555,000.00 GBP

***For Me, My Parents, and My Group at leading hospitals

Will, after I will have received My all money which I will get from My auction, I will not definitely wait for giving the money back to You. 😊😊

5) Will, because I and My Parents have been ill, and My Parents are My Life, so I want everything “the best” for My Parents including medical treatments. As a result, **could You please help Me by being responsible for medical expenses of My Parents and Me while We are being detained in Thailand.** (I will pay the expenses by the British credit card which Your British trustworthy person will bring it for Me. And We will sue pimp king Bhumibol and the satanic Chakri Dynasty for compensations and interests later 😊😊.)

And

6) Will, another bank account that I request You to open in England:

Account Name: William Wales for Angie Wales

Type: US Dollar Account

For: Receiving My money from My first e-book (Google Play)

Will, please talk to Google to request Google to transfer My all money which I have gotten from selling My first e-book on Google Play to My bank account **in England.** Please emphasize to Google executives “The God knows how many sales of Angie’s first e-book, so don’t cheat Her!”

Therefore, Will, You are keeping 2 parts of My all money:

1) My all money which I will receive from royalty and income from My first book (in GBP Account in England).

2) My all money which I have gotten from selling My first e-book on Google Play (in USD Account in England).

Will, I would like to invest in these passive incomes. So, the next request is that could Your property team please help Me to grow up My money? 😊😊

😊😊 Will, please help Me by helping My all requests in this letter become true 😊😊

😊😊 A Lot of Love 😊😊,

😊😊 Angie Noo-phakdee 😊😊

(Will, they ordered Daddy Almighty to change some dates and to delete a day when I waited for You from this letter. But I accurately remember that 1 July 2025 is 55th time I have waited for calling from You and helping from You, Daddy Charles, Harry, and Harry's Soulmate.)

(To be continued on the next page ...)

Notes: Will, I would like You, Daddy Charles, and Harry to know that Daddy Almighty told Me;

1) “Angie. Some of the reasons why pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people strongly want to kill Your Parents are that Your Parents have parented You to have behaviours and habits like the white who is Christian which are opposite to behaviours and habits of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people. Your Parents have also parented You not to lie to anyone, but to be fearless to do the right, honest, sincere, virgin, and “the best” which are opposite to the natures of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people too. As a result, they all who are so very much envious people think “Because Angie has been parented to be “the best”, so Her Parents have deserved it right!””

2) “Angie. Daddy Jamnong had problems about the joint bones of his legs because of orders of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people. In that they all know that Daddy Jamnong taught You to deeply remember “Lying is an evil”, to be a calm girl, and to be Yourself confidently. So, Your Parents will be rewarded by Me to travel everywhere where is so much beautiful, impressive, and they want. And Daddy Jamnong will hold Mommy Pinya’s hands to lead Mommy Pinya to walk to travel. Then, in the end, after You, Your Parents, and Your Group will have arrived London, Daddy Jamnong will lead Mommy Pinya to bring You to Will in a church where The Wedding Ceremony of Will and You will be happened!”

And

3) “Angie, **they all aimed Daddy Jamnong to operate the joint bones of his legs at Veterans General Hospital where is in Bangkok not to see You, Your Parents, Angel Lek, and Saint Nuay move to Phuket because Daddy Jamnong needs to follow up in Bangkok! Angie, did You see that Bumrungrad Hospital Phuket Branch just started constructing in the middle of 2025? Did You see that many accommodation projects which their houses collided Your Heart have not started constructing or started constructing just a little? And did You see that You do not really like the accommodation project which finished?”**
