

Will,

This letter was sent to You after Daddy Charles and You had negotiated with pimp mha Vajiralongkorn, the satanic Chakri dynasty, and/or the Thai prime minister to let Me, My Parents, Angel Lek, and Saint Nuay fly with You, Harry, Harry's Soulmate, but they had insisted to detain Me, My Parents, Angel Lek, and Saint Nuay in Thailand.

So, Will ... Please help Me ...

... Will, Daddy Jamnong is well-known for "honesty" in the Thai insurance circle. My Parents never laid to Me. My Parents and I never had any secrets and always straight talked to each other. But pimp king Bhumibol and the satanic Chakri dynasty "have forced" My Parents to lie to Me and not to talk the truths to Me. And My Parents have known whose orders.

Will, Daddy Jamnong has really known that pimp king Bhumibol and the satanic Chakri Dynasty killed his mother. My Parents have known that pimp king Bhumibol and the satanic Chakri Dynasty have severely tormented Me and them to pass on. My Parents have also known that pimp king Bhumibol and the satanic Chakri Dynasty have ordered them to be cancer, and to cure their diseases at Chulabhorn hospital where belongs to the youngest child of pimp king Bhumibol and prostitute queen Sirikit. And pimp king Bhumibol and the satanic Chakri dynasty "have forced" My Parents to acclaim them.

Will, Pimp king Bhumibol and the satanic Chakri Dynasty support all governmental hospitals in Bangkok. And because I and My Parents have not much money, so We need to cure Our diseases at governmental hospitals.

**Will, if You were Me and My Parents, how would You feel?**

**Will, Daddy Jamnong is being 80 years old fully on 26 April 2026. He has not been slept enough for around 27 years. Will, I knew that although he is 79 years old, many nights, he was let to go to bed at around 7:00 am or maybe 8:00 am. And although he is 79 years old, many days, he had not been let to sleep even a minute before drove His pick-up truck to go outside Our Home. Will, he needs to help Mommy Pinya to do housework and to cook because I need to save My Power to do only My Work. Will, Daddy Jamnong has got many dangerous diseases such as prostate cancer, leukaemia, stenosis, coronary artery disease, and kidney failure. After he recovered covid-19, his health is very poor. One of his conditions is that he cannot breathe into his lung fully. He is patient and is not talkative, so he utters a compliant about his illnesses when he feels so very much pain. Will, Mommy Pinya told Me "Dad's health is very poor but he has fought against his all diseases to stay alive for Us".**

Will, could You imagine how Daddy Jamnong whose two of the natures are to be fearless to do the right and never bow any wicked people, has felt while his wife and his beloved Daughter have been severely tortured by pimp king Bhumibol, the satanic Chakri dynasty, and the wicked all around the world but he cannot do anything? Will, try asking a dad who has a lovely daughter ... such as ... Prince Andrew who has 2 lovely daughters “If You were Angie’s Dad, how would You feel?”

Will, Mommy Pinya is being 77 years old fully on 17 March 2026. She has got high blood pressure, diabetes, heart disease, and tends to be breast cancer while she is tormented. The Satans has also ordered her so as not to eat useful food. And she has not been slept enough for around 27 years the same as Daddy Jamnong and Me too. So, she has always been too tired to get up every morning. But to look after Daddy Jamnong, Me, and Our Home, she needs to cook for everyone and do housework very hard as if she was not a 76 years old woman but was a teenager.

Will, Daddy Jamnong starts not to have any salary on 1 January 2024. Now, his income comes from only his rubber garden in Lumpang province but this source of his income is not stable and is not much in that the price of raw latex has been much decreased. And Will, My all money which I got from heritage of My grandma was used up many years ago. I mean that from January 2024, the certain income which Our family has, is only pension of Mommy Pinya which is only 30,000.00 THB / a month. (You will know how little of 30,000.00 THB / a month for My family is if You know that I got monthly income from pension of Mommy Pinya 17,000.00 THB since the end of 2022!) And since January 2024, My salary was decreased from 17,000.00 THB / a month to 10,000.00 THB – 12,000.00 THB / a month too. ... Will, it is known in Thailand that salary of Thai teachers who start to teach is the lowest if it is compared to salary of other kinds of Thai government officers. But now, salary of Thai teachers who start to teach is start at 18,000.00 THB!

Will, now, Daddy Jamnong was operated the joint bones of his legs. But if We are detained in Thailand, I truly would like to move Ourselves to cure Our diseases at Bangkok Hospital (Phuket) but it is too much expensive.

Will, My Parents are My life. So, I want everything “the best” for My Parents including medical treatments. And Will, I eat food a lot. I also need to turn on air-conditioning almost all days while I am being detained in Thailand. And My brain runs much Endorphin when I buy clothes and things which I “click” too. But My Parents and I have no money. So that, Will, could You please fast help My Parents and Me? 😊😊

Will, because **Daddy Almighty told Me “After Will will have started to help You to go out of Thailand, pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people will detain You, Your Parents, Angel Lek, and Saint Nuay in Thailand until a day on which You, Your Parents, Angel Lek, and Saint Nuay will be disappeared from Thailand to appear at Will almost comes”**, so I need much money to spend for Me, My Parents, Angel Lek, and Saint Nuay while We are being detained in Thailand. So that, **could You please lend Me Your money for Our 10 New Homes (4 to 7 bedrooms / A Home) and My monthly expenses in Thailand (Exclude monthly medical expenses and British credit card for shopping) from January 2026 to April 2027: 75,000,000.00 GBP? And could You please transfer the money to My bank account in Thailand as fast as possible? Will, after I will have received My all money from the auction, I will not definitely wait for giving the money You lend Me to You.** 😊😊
