A Crucial Conclusion

(27 October 2026)

(Please intentionally read It All.)

Almighty or Allah sent Me but All The 3 Men (Prince William, King Charles, and Prince Harry) and all moral Christians have waited for the end of The World, Jesus, and The Judgement and all obedient Muslims have waited for Repayment Day even though Almighty or Allah has told them "I sent Angie to save The World!"

I am The Daughter of Almighty or Allah and Prince William is The Son of Almighty or Allah but Almighty or Allah started opening My Mind in 2000, before will start opening The Mind of Prince William after We will have flown out of the territory of Thailand by A Trustworthy Royal Plane to The Holy Home. Therefore, think over: Why the satanic has allowed All The 3 Men and believers to know many truths before Me Who am The Only One have been opened The Mind by Almighty or Allah since 2000? Is it because I know the truths of the end of the story such as when the end of The World, Jesus, and The Judgement or Repayment Day will come and what else is a bearing of fruit which will happen to the satanic and his co-workers in the end because as a Buddhist, I truly knew The Prophecy of Buddha about the end of The World and truly knew The Truths of Karma in this life or another word is The Truths of bearing of fruit in this life? Carefully consider: Many of the satanic knew psychology and the process to allow All The 3 Men and the believers to know many truths before Me in order to tempt them all not into believing Me when I speak The Prophecy and The Truths I knew out, is a very basic psychology, right?

Christianity teaches the Christians similar to Islam teaches the Muslims. But carefully consider: I am not only The Daughter of Almighty or Allah but also Allah's Messenger, but why Almighty or Allah sent Me to be born as A Buddhist in Thailand to save The World? Is it because their teachings and religious beliefs are wrong?

3 of the examples of something important but the Christians and the Muslims cannot notice but I could notice;

1) Jesus said about "bearing of fruit" in Matthew 7: 15 – 20 and The Words became The Proverb "You reap what you sow" but why all moral Christians and all obedient Muslims are taught "Our lives are up to Almighty or Allah" and "Everything is happened by Wills of Almighty or Allah"

2) It was written in James 1:15 "When desire is conceived; it gives birth to sin; and sin; when it is full-grown, brings forth death" but why all moral Christians are taught "It will be completely a sin or a mortal sin after one successfully did the sin or the mortal sin before"? If it will be completely a sin or a mortal sin after one successfully did the sin or the mortal sin before, why all the Thai people who all just

imagined and/or just thought sins and mortal sins to become real (but just only imagined and/or just only thought) will be taken down to die in Hell and Fire forever even though many of them who live at upcountry never open their months to help pussy pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and their all consultants leaded by Prayut Chan-o-cha to lie any lies to anyone because where they live are so very much far away from Bangkok. I mean that they just only imagined and/or just only thought the sins and the mortal sins but have not taken any actions to offend the sins and/or the mortal sins but why they all will be taken down to die in Hell and Fire forever in the end?

And

3) It was indicated in The Bible that men who spend time with a harlot are kings and the period of the time kings spend with the harlot is "1 hour" but why all moral Christians and all obedient Muslims have interpreted "kings" including "future kings" "princes" "princesses" and "famous people" and "1 hour" means "a long time"

Once again: I **never** told you: "Jesus will not definitely come to judge the living and the dead" But I **have told** you since I started knowing what the Christians and the Muslims have waited for: **"Jesus will come to judge the living and the dead in 4457 AD or after 2027 AD 2,430 years"** I have known this essential truth since I was 5 or maybe 6 years old in that at that time The Prophecy of Buddha about the end of The World was talk of the town in Thailand.

Let Me explain more;

Because after We will have been at The Holy Home, each order which the satanic and his co-workers have ordered Almighty or Allah to offend us will be rebounded on each of them by Almighty or Allah, the satanic and his co-workers will be exposed his wrongdoings, crimes, felonies, sins, and mortal sins which they all have done since before 1960 such as promiscuous, group sex, selling drugs, illegal trades, laundering illegal money, and tax evasion, by Almighty or Allah to The World, and all sexual video clips and all sexual photos which were recorded and were photo while they were having sex immorally will be publicized on My Website by Almighty or Allah, and because after We will have proceeded Our Holy Court Cases against them, they will kill one another, Thailand and countries which are its co-workers will be in wars both inside and outside, the satanic Chakri dynasty and their monarchical co-workers will be overthrown and will be sent to be sentenced by Sharia Law of the Muslim world which 2 of The Principles to judge are "An eye for an eye. A tooth for a tooth" and "A defendant must be punished until his victims will be pleased", and finally, the satanic, his co-workers, and everyone who joined the plans will be taken down to be paid back in Hell and Fire, so why the satanic does not use religious beliefs of All The 3 Men and the believers to trick All The 3 Men and the believers

into waiting for something will not definitely happen in the current millennium so as to prolong the time the disasters will happen to him as long as he can?

The first group of missionaries who came to Thailand had come to Thailand before King Charles was born 381 years. Pussy pimp king Bhumibol who is the leader of the felonious leaders spent the time when he was a boy and teenager at Switzerland and Europe. Before he came back to Thailand as a king, he had studied many subjects including religious subjects and psychology. And while he was showing himself to public as the king, he was the highest royal patronage of all religions in Thailand. All members of the satanic Chakri dynasty spent or have spent their lives in Christian countries since they were young. There has been not only Thai people who are Buddhist in Thailand but also both Thai people who are Catholic and Thai people who are Protestant in Thailand, and Thai people who are Muslims in Thailand too. And many co-workers of pussy pimp king Bhumibol who have worked the plans with pussy pimp king Bhumibol since before 2000, are Christians and Muslims. So, why does not the satanic know religious beliefs of Christianity and Islam?

An important question is that the deeds which the satanic and his co-workers have offended us are not only sins and mortal sins but also crimes and felonies, so why do All The 3 Men, all moral Christians, and all obedient Muslims strongly believed that the satanic and his co-workers will be responsible for their deeds only in Hell and Fire but will not be responsible for anything in this life? Think carefully: Because they all have worked altogether to offend not only all moral Christians but also all obedient Muslims, and 2 of The Principles to judge of The Muslim Courts are “An eye for an eye. A tooth for a tooth” and “A defendant must be punished until his victims will be pleased”, so after We will have proceeded Our Holy Court Cases against them, will they let any of their co-workers who can help righteous foreign police officers to link them up to know who else is a real felon, to be alive? So that, could you forecast what will happen after We will have proceeded Our Holy Court Cases against them?

Some English songs were pronounced “sue”, right? And Leona Lewis who is **a British** pronounces in the refrains of the song “Better In Time”: “It’s gonna hurt when **here** sue, and The World, Kay, better in time.”, right? So, did you know why **The British** was chosen to sing the song “Better In Time”?

Anyway, think twice: Some foreign people called pussy pimp king Bhumibol “genius”. And his many foreign co-workers such as David Cameron and Barack Obama graduated from faculty of Law. So, are they stupid? And All The 3 Men really knew natures of the harlots: Prince William really knew Kate Middleton, Prince Harry really knew Meghan Markle, and King Charles really knew Camilla Parker Bowles, what the harlots are? One of their natures is tricky, right? So, before they all would continue running the plans, why did not they who have been able to order

Almighty or Allah, ask Almighty or Allah “When Jesus will come to judge the living and the dead?” And if Almighty or Allah told them all “Jesus will come to judge the living and the dead in the current millennium”, why did they all decide to continue the plans? Why they all who are good at pretending (so, they all can fake to be nice), made up their minds to continue running their plans to be judged to die in Hell and Fire forever? Could you notice that they all never stop offending us like they all never think about how they all will be judged by Jesus? Why? And could you notice that the satanic and his co-workers have done many deeds to be easy for them to make excuses such as “We did not stop because we were controlled” and they have offended us along with have erased all the traces of evidences until the rest of evidences are only Words of The Best Witness and words of witnesses the same as the pronunciations at the beginning of the song “When You Believe” sung by Whitney Houston: “Many night we pray **with no proved-hand, Nee won, could hear?**”?

An important song is “All Rise” sung by “Blue”. From the song, there are pronunciations **“You have tried to pray but the jury will decide”** which Simon Webb really stresses all the pronunciations, “If you song to help me fool, I am telling you **“An Jackson know the rule!”**, and **“I bring your wish to court to pitch my order. And you know that you overstep the border!”**”

So, who is “An Jackson”? and what rule he knows is?

Is he “Michael Jackson” who was murdered young in 2009? And the rule was told by the song “Heal The World” from album “Dangerous” sung by him?

What else is a pronunciation of the boy at the beginning of the song “Heal The World” from album “Dangerous” sung by “Michael Jackson”? “We wanna make Kay A Better Place for children, children, children” and “I think Kay and Me Kay make A Better Place”, right? Michael Jackson pronounces “They roll. **Waste** to get there if you care enough for the living make a little space make a better place. **Heal The World make Kay A Better Place for you and for Me and the end Thai killed then faced. There are o. If we got Him if you care enough for the living make A Better Place for you and for Me (A Light)**”, right? **(Michael pronounces “Heal The World make Kay A Better Place for you and for Me and the end Thai killed then faced” each 5 times**, right? **And he pronounces “There are o. If we got Him if you care enough for the living make A Better Place for you and for Me” each 7 times**, right? **And between 6th and 7th pronunciations of “There are o. If we got Him if you care enough for the living make A Better Place for you and for Me”, he pronounces “They “ฤทธิ์” (“Rit”) die”**, right? **(“Rit” is a Thai word which means “power”))** When the song passes 3 minutes and 57 seconds **(3:57)**, Michael pronounces “**We could really get there** if you care enough for the living make a little space to make A Better Place”, right? At almost the end of the song Michael pronounces **“Make A Better Plane” each 3 times**, right? And **the song was ended by the pronunciations**

from Michael and the boy "Heal The World we living. Save before, Right Children" and "Heal The World we living. Serve before, Right Children", right? **The pronunciations mean "Save Angie before, Will, Harry, and Harry's Soulmate!" and "Serve before by flying The Trustworthy Royal Plane to The Holy Home before, Will and Harry!"** (Almighty or Allah told Me the ladder meaning on 25 October 2026 at 6:33 pm.) Think through: Why Michael Jackson was murdered young in 2009 when he was only 50 years old but at the time when he was murdered, countless people all around The World **knew** "Prince William of The British Monarchy is The Son of The God and The Real Soulmate of Angie!"?

An important song which supports the truths from the song "All Rise" and the song "Heal The World" is "The Day You Went Away" sung by M2M. Before 2022, when the song passes 1 minute and 20 seconds, I heard "**I remember "ตี๋" ("Tee") die ("Tee" is a Thai word which means "A man or men who is (or are) offspring of Chinese people.).** September 22nd Sunday 25 after nine. **In dood the way ("Dood" is a Dutch word which is pronounced similar to "dude". But "dood" means "death") with your case no longer shouting are The Sha (Sharia Law) the day would tears on our faces since set we were letting go something special something we never have again I know I guess I really really know"** And when the song passes 2 minutes and 57 seconds, the singers pronounces **"Why do we never know what we got til it's gone? How could I carry on the day you went away? Cause I have been live sin so much I have to say, have been crying since a day the day you went away, the day you went away, the day you went away"**

(I advise you to listen to all the songs)

Could you notice that when the time of 4th quarter of the years nearly come, the situations in The World have been as if the end of The World was coming soon every year? And how many years which the situations have gone on like these? But did Jesus come?

Once again: I **never** told you: "Jesus will not definitely come to judge the living and the dead" But I **have told** you since I started knowing what the Christians and the Muslims have waited for: **"Jesus will come to judge the living and the dead in 4457 AD or after 2027 AD 2,430 years"** I have known this essential truth since I was 5 or maybe 6 years old in that at that time The Prophecy of Buddha about the end of The World was talk of the town in Thailand.

And once again: Almighty or Allah sent Me but All The 3 Men and all moral Christians have waited for the end of The World, Jesus, and The Judgement and all obedient Muslims have waited for Repayment Day even though Almighty or Allah has told them "I sent Angie to save The World!"
