On 12 August 2026 at night, Almighty or Allah told Me;

“Angie, I strongly want You to declare My Declaration;

Angie, tell everyone;

Angie, My Youngest Daughter Whose Soul is The Soul of The Holy Toddler has My Spirit in Her Soul. So, you can notice how I feel from how She feels.

Because I truly want to teach many truths as expensive lessons to everyone especially the wicked, so I have paused The Powers of Myself not to show any of My Miracles to help My Daughter, My Son, My Children, My People, and the good, not to show that My Powers are over everything, and not to show that nobody can triumph over Me. But all the Thai people and their co-workers disdain, mock at, and laugh at My Daughter, My Son, My Children, My People, the good, and Me.

Even Angie, My Youngest Daughter, Who is The Most Optimistic Girl so very much strongly abhors all the Thai people and Thailand. So, do you think how I feel about all the Thai people and Thailand? And do you think Whose Grudges in Angie’s Feelings?

By the way, I confirm that everyone will see “Law of Karma” or another word is “Bearing of Fruit” occur to every side whether good karmas (good fruits) or bad karmas (bad fruits). And for All The Grudges which I feel about all the Thai people and their co-workers will be fairly paid back in Hell and Fire eventually and everlastingly!”
