

A Declaration of Almighty or Allah (2)

(6 September 2026)

(Please read It All.)

Since 4 September 2026, Almighty has told Me;

“Angie, declare One of My Declarations to everyone;

Everyone who works the plan with pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and all the Thai people, is the opposite side of Mine and Heaven but is “a favourite slave” of Hell and Fire.

All Christians who work the plan and all Muslims who work the plan have known Me since you all were born but what else you all have done to My Daughter, My Son, My Children, My People, the good, Heaven, and Me?

So, do you think how I have felt? And what sentence else in this life and in Hell and Fire are appropriate for you?

And for all Buddhists who really knew what karma is and how a karma works, Buddha teaches you to beware of offending sins and mortal sins, but to do goodness, and to purify your minds, and also teaches you “Everything you do rebounds on you a day in the future”. As a result, do you think how Buddha who is your prophet, has felt? And what sentence else in this life and in Hell and Fire are appropriate for you?

Now, you all knew that nothing I cannot do except 4 things Angie told everyone, so although This Declaration is short, if you are smart enough, you will know what will happen to you in the end of your lives and in Hell and Fire!”
