

A Declaration of The Father

(17 May 2026)

(Please read them all.)

Since 13 May 2026 when was The Royal Ploughing Ceremony Day of Thailand, Almighty or Allah has told Me to declare to everyone;

“Angie, type My Words to declare The Truths to everyone;

I created The World. So, I have The Full Righteous Right to allow or not to allow whoever I want or do not want him to be in The World. ...

... The New Better World Where has Angie, Will, My Children, and My People must not have all the Thai people, all the Bhutanese people, all the Korean people both North and South, and all the Mexican people! ...

... I told You just only these countries. It does not mean that there are not the other countries where are not allowed to be in The New Better World! ...

... The World Where does not have them is appropriate for calling “The New Better World!” ...

... Did everyone understand that I am scolding the countries where are not allowed to be in The New Better World!?! ...

... Another Truth That I would like You to declare is that I let all the people in This World live together by themselves. I mean that I do not involve in any lives in This World except The Lives of My Daughter, My Son, My Children, and My People Whom I send to This World to do My Missions. And all the countries where are not allowed to be in The New Better World and all the people who are not allowed to be in The New Better World knew that I Who created The World with the result that also have The Full Righteous Right to allow or not to allow whoever I want or do not want him to be in The World, will This Era belong to You. So, what else is appropriate for all the people who do not want You to change The World to be “The New Better World” and/or want You to pass away?”

This is “A Declaration of The Father!”
