

A complicated plan

(25 May 2025)

I would like to underline an important truth again: If I, My Parents, and My Group are still detained in Thailand and if Prince William still does not call Me, Almighty or Allah will follow almost all **orders of pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, all evil foreign people, and their co-workers.**

And in this topic, I am telling you **their complicated plan to lie to** foreign people “We were ordered, and we followed the orders because we really believed that the orders came from The God!”

How?

As of lately, they have ordered Almighty or Allah to help Me to get **benefits.**

Examples are:

(1) They ordered Almighty or Allah to help Me to win Thai lotteries by letting My Mom tell Me lucky numbers which My Mom heard in Her ears or telling My Mom to tell Me a horoscope “In this moment, You have lucks”.

And

(2) I got much more discount than promotions of department stores on Lazada.

Let Me explain;

Last week, I called saleswomen of Clinique at Central World and saleswomen of Clinique at Emporium many, many times. But operators told Me “They are talking to customers at their counter”. So, I requested the operators to tell them to call Me back. But **nobody called Me back.**

Another situation was that they **worked with** Clinique shop on Lazada to “Flash Sale” a product which the shop never sold on Lazada but I wanted to buy.

Then, all the Thai people ordered Almighty or Allah to make Me see “The Flash Sale”. So, I could buy the products at a very special price.

Whereas, **the complicated plan of all the Thai people is;**

The saleswomen at Central World and the saleswomen at Emporium **are assigned to lie to** the foreign people “We heard orders not to call Angie back. We did not know if we called Angie back, what would happen to us? Hence, we followed the orders”

Clinique shop on Lazada **is assigned to lie to** the foreign people “We never sold the product Angie bought on Lazada. But before Angie would buy it, we had heard an order “Flash sale this product on Lazada!” We did not know if we did not do, what would happen to us? Thus, we followed the order”

And **all the Thai people are assigned to lie to the foreign people** “We genuinely believed that all orders were the orders from The God. Did you see that many times Angie got much benefits from the orders? So, we all followed all orders even though the orders hurt Angie, Her Parents, and Her Group because we all strongly believed “This is a test. Everyone including Angie, Her Parents, and Her Group must be tested before!”

Did you understand why they sometimes let Almighty or Allah tell My Mom “Lucky numbers” of lotteries in Her ears or tell My Mom to tell Me the horoscope “In this moment, You have lucks” to see Me win lotteries even though all the Thai people really want Me, My Parents, and My Group not to get any lucks?
