

A complicated plan (2)

(25 May 2025)

In this topic, I am telling you their another complicated plan;

Since around early 2024, Nok who is in My Home, is assigned to put “poisons” into foods and beverages of Mine and My Parents.

Nok who strongly wants Me and My Parents to die, is assigned to **lie to** the foreign people;

“I heard orders to get “poisons” from messengers and orders to put “the poisons” into foods and beverages of Angie and my Parents. I did not know if I did not follow the orders, what would happen to us? ...

... Since 2000, everyone has known “The God is real”. Hence, I strongly believed “This is a test” the same as Christians, Muslims, and all Thai people. Thus, everyone including Angie and my Parents must be tested before. ...

... And because “This is a test”, so I really believed that all orders were from The God to test everyone, including Angie and my Parents, the same as all the Thai people really believed. ...

... Before I followed the orders, I had also heard that Angie and my Parents had drunk or had eaten “poisons” many times but they were okay. In 2021, my Dad recovered from co-vid 19 even though doctors had examined that he had had 25% to survive. And in 2023, my Dad survived from infection after operation even though he was 77 years old and his conditions were really bad. ...

... Hence, I genuinely believed that although I followed the orders, **Angie and my Parents would be okay!**”

By the way, all the Thai people including many Thai people who put “drugs facilitated sexual assaults” and/or “poisons” into My foods and/or My beverages, are assigned to **lie to** the foreign people;

“Because: (1) “This is a test”, (2) Angie, The Daughter, and Her Parents who are god and goddess were sent to test humans, and (3) Since 2000, we heard “Angie and Her Parents will not definitely pass on”, so we really believed that although we followed the orders, **Angie and Her Parents would be okay!**”
