

A disgusting bear

(13 December 2025)

(Please read them all.)

Before all else, I would like you to know that I started to use “Sofy” which is a brand of sanitary pads when I was a teenager. Since then, “Sofy, the longest” has been the only one sanitary pad in My Heart. I never think to change My sanitary pads from “Sofy” to other brands.

However, since the first time I have seen “Butterbear”, I have felt dislike the bear and have never thought to adjust My Feelings. One of the reasons why My Feelings do not accept “Butterbear” is that the creator who created the bear is a Thai person.

Later on. what has happened?

On 13 December 2025 in the morning, I opened Lazada application to buy “Sofy”. But I found that there is “Butterbear” on packages of “Sofy, the longest” which made Me become a bad mood. So, I cursed “May everyone who involves with “Butterbear” dies in a violent death!”

Afterwards, I used Google search to find the truths whose “Butterbear”?

AI of Google search told Me;

The creator who created “Butterbear” is a Thai woman whose name is “ธนวรรณ วงศ์เจริญรัตน์” (Thanawan Wongcharoenrat), nickname “บูม” (Boom). Her parents are “อัมพรพิมล วงศ์สงวน” (Ampornpimon Wongsanguan), nickname “หมู” (Mhoo), and “ณัฐธยาน์ ปางพุฒิพงศ์” (Natthaya Pangputtipong), nickname “ดาว” (Dao) whose one of the businesses is “Coffee Beans by Dao”. Her brother is “ธนพนธ์ วงศ์สงวน” (Thanapon Wongsanguan), nickname “แชมป์” (Champ). Her sister is “ธนาภา” (Thanapa), nickname “เบลล์” (Bell). Their family runs businesses about foods and beverages such as “Butterbear” and “Skinnylicious”. But many singers pronounce their nicknames, their names, and/or a part of their names in many English songs.

The Father Almighty or Allah told Me “Angie. Boom wants to spread her business abroad. So, she ordered “Sofy” to choose “Butterbear” to be on their packages in that You never change Your sanitary pads from “Sofy” to the other brands!”

The Father told Me “Angie. If they want to order Me to do as their minds because You, Your Parents, and Your Group are being detained in Thailand, they can. However, I do not tell them the future what will happen because of their orders but I let them use their “free will” to make a decision to order their orders or not to order their orders by themselves. Therefore, they will know what will happen because of their orders after they will have completely ordered their orders! 😊😊”

The Father also told Me “Angie. Boom and her family have ordered Me to do as their minds for a long time and they have gotten everything as they have wanted every time too. So, this time, they carelessly ordered the order with the result that the order will bring a disaster to them! 😊😊”

By the way, because one of their businesses is that baking bakeries for Starbucks but because many singers pronounce their nicknames, their names, and/or a part of their names in many English songs, so I am in a period of making a decision: After Prince William will have called Me, will I continue being a loyal customer of Starbucks, or will not? ...

... Because “Butterbear” is a disgusting bear! ...
