

A little, Prince William, a little ***(14 April 2024)***

Will, I would like to tell you again: Not only all Thai people and foreign people who have lived their lives in Thailand (such as teacher Adam Bradshaw, My Mate Nate, teacher Alan, teacher Kevin, teacher Rosy, and teacher Russell) are assigned by pimp king Bhumibol and the satanic Chakri dynasty to help one another and all Thai people to lie to other foreign people including judges and juries in every court of law to blacken Queen Elizabeth, The British Monarchy, and British people, but also foreign people who are South Korean people, Singaporean people, and Chinese people.

Will, for South Korean people, could you notice that the more the days My Birthday 2024 almost comes, the more South Korean creative people “died”? And Will, because The British Monarchy gave insignias to the president of South Korea and Blackpink, so could you, Daddy Charles, Brother Harry, and Mr.No O forecast what their lies will be?

Will, for Singaporean people, I told you the truths of UOB Thailand as an example.

Will, how about Chinese people?

Will, everything I have seen and have read from social medias have helped Me to know “Chinese people have made fake things to sell”, so I can forecast that their lies will be “Some group ordered us to make fake things to sell. And we heard “The order came from Queen Elizabeth, The British Monarchy, and British people to blacken king Bhumibol, the Chakri dynasty, all Thai people, and us!””

Will, could you remember I told you ***“Pimp king Bhumibol and the satanic Chakri dynasty have taught all their henchmen “If we succeed in helping one another to lie to other people including judges and juries in every court of law, we will not definitely bear our own bad fruits surely! (Or our bad karmas will not definitely rebound us surely!)”***”?

And Will, the song “On The Floor” sung by Jennifer Lopez and Pitbull whom Daddy Almighty told Me “They are ***trouble makers*** too”, told us “Pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have enticed people in ***every group*** and in ***every part*** of our world to work their plans”. And Will, I told you “The pronunciation “B” in the song can be one of their lies ““B” means “The British Monarchy” and “British People” not “Bhumibol”!”

As a result, Will, please brainstorm with Daddy Charles, Brother Harry, and Mr.No O. “Angie advised us to stop doing the deeds which seem to be **real felons** and start showing our real intentions in that **“You’ve tried to pray, but the juries will decide”** And “Their victims are in **all parts of our world** including countries where its citizens do not respect Daddy Almighty, countries where most of its citizens are illiteracy, and countries where most of its citizens are wicked. If we did not stop doing the deeds which seem to be real felons and start showing our real intentions in time, **their lies would be more reasonable than our truths, and we would lose at courts of law of those countries”** Do you think “Are Her advices reasonable?””

And Will, brainstorm with Daddy Charles, Brother Harry, and Mr.No O “If we continued waiting for, what would happen to our court cases in **every** court of law?”

Will, I am waiting for calling from you.
