

A way to alibi

(2 July 2026)

(Please read them all.)

Although pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants led by Prayut Chan-o-cha, Ratchaneewan Ad-harn, and Ad-harn family have known since the end of November 1999: "After Angie, Her Parents, and Her Group will have flown out of the border of Thailand with Prince William, Prince Harry, and Prince Harry's Soulmate to The Holy Home, The God will open The Mind of Prince William to help everyone to be sure "Prince William of The British Monarchy is The Real Son of The God, The Real Soulmate of Angie, and A VIP Backup of Angie, Her Parents, and Her Group" the same as the pronunciations in the song "Don't Cry Out Loud" sung by Melissa Manchester", they all planned to **lie the lies to alibi** after The Mind of Prince William will have been opened;

"Because Prince William, Prince Harry, and Prince Harry's Soulmate are the real felonious leaders, so The Airplane and The Holy Home are two of the most hazardous places for Angie, Her Parents, and Her Group. Hence, Prince William, The British Monarchy, English People, and Their co-workers still can order The God. And They All have continued working with one another to order The God to open The Mind of Prince William and make His Mind pure but order The God not to open the mind of the real son of The God and the real soulmate of Angie whom we really knew that he is a Thai man so as to tempt other people not into knowing the truths!"

Did you know **why** Almighty or Allah still has not opened The Mind of Prince William but has opened My Mind before? ...

... It is because **they all planned the devilishly devious plan to be a way to alibi!**
