

About Maneenuch Smerasut and Celine Dion (29 March 2024)

First of all, I would like to say “I apologize in advance” to Celine Dion if the information in this document is not the truth. But today, I have extremely felt like I doubt Celine Dion!

Second, I would like to introduce “Maneenuch Smerasut”, nickname “Ouan”. She was born on “21” April 1961. She is a singer, actor, voice teacher, emcee, and commentator.

Before I am telling you what The Father Almighty told Me about Maneenuch and Celine Dion, I would like you to know that I accurately remember that Maneenuch was a contester in a world-class singing contest. An interview in a magazine told Me that the contest made her know “Celine Dion”. I also saw a photograph of her and Celine Dion from the magazine. The photograph showed that her and Celine Dion are “intimate”. After that, Maneenuch launched her international album which was called “Manny”.

However, before I am typing this document, I wanted to know how to spell “Manny” correctly. So, I went online Yahoo to find the information. But there is no information about the world-class singing contest, Celine Dion and her, and album “Manny”. The truths of Maneenuch which I could find from going online Yahoo are only about the contests in Thailand and Hongkong, her Thai albums, her dramas, her movies, and her careers in Thailand. Some websites told Me only Maneenuch studied vocal technique at Berklee College of Music and continued her vocal training at Canada!

If I tell you that The Father Almighty has periodically told Me “Maneenuch herself enticed Celine Dion and many foreign stars whom she has known to commit the plan” And “The husband of Celine Dion has pretended to die”, could you figure out why I could not find the information about Maneenuch which I really want to know?
