

Am I forgiven?

(The improved version of 15 January 2024)

I always told you “If you can reform yourself, you will be forgiven”

But since early January 2024, The Father Almighty or another name is Allah has periodically told Me many times “Angie, there are foreign people who join the devil’s dirty plan and think “I can reform myself. So, I will not be definitely sent to hell and the eternal flame surely. So that, why do I need to quit the plan?” For that reason, they continue committing the plan continually. Therefore, I will judge this kind of foreign people to be in merciless torments where are called hell and the eternal flame **unexceptionably!**”

And The Father Almighty or another name is Allah told Me to tell everyone on 15 January 2024 at around 8:40 am and at around 11:15 am “Angie, write the truths and post them on Your website to tell everyone especially he who collaborates on the plan ...

... “I consider sins and mortal sins of an offender individually and a man by a man. ...

... And because I am the most judge but not weak-hearted the same as My Most Beloved Daughter and because your deeds make Me, all gods, and all goddesses both in Heaven and Hell so very much furious, ...

... so everyone will see what the fittest death and the fittest torments for wicked people who hurt or try to kill My Most Beloved Daughter who is the most naïve, My Beloved Son who is innocent, and gods and goddesses whom I sent to do The Missions and are guiltless, are!”

The Father Almighty or another name is Allah told Me to ask everyone on 10 March 2024 at around 11:10 am ***“Now, everyone knows what The Natures of My Most Beloved Daughter are. So, if you were Me, how would you feel about My Most Beloved Daughter? And how would you judge everyone who hurts My Most Beloved Daughter? And because I created Will, My Beloved Son, and Angie, My Most Beloved Daughter, by My Soul, Myself, and My Love, so I know Will and Angie. Because of that, I am very strong possessive of Angie and Will. So that, I sent Will follow Angie later to cherish and take care of Each Other. As a result, if you were Me, how would you judge everyone who tries to separate Will and Angie from Each Other?”***

The Father Almighty or another name is Allah also told Me to ask everyone ***“How should I feel about a person who orders Me to do as his mind? How should he be convicted of? And should the punishments be extraordinary for Christians and Muslims who have known who I am since they were born?”***

And since the middle of 2023, The Father Almighty or another name is Allah have periodically consoled Me especially when I thought “I have no old karma in any previous lives. And they have used My merits to continue living in this world. Why Daddy Almighty let them violently torment Me for donkey’s years?” And “Being a man whom Daddy Almighty calls “wicked” may be better” ***“Angie, in the end, everyone will see: The more the wicked he who works the plan, is, the more the fast he will be killed!”***

Last, I would like to underline the truths again: A judgement at courts of law in this world is different from The Judgement which is The Law of The Father Almighty or another name is Allah. Judges at courts of law in this world consider a complete deed and an intention of an offender. But ***The Judgement which is The Law of The Father Almighty or another name is Allah considers the mind of each man all his life.*** And all Buddhist-Thai people ***know*** these truths in that 3 hearts of Buddhism are: (1) Do not do badness (2) Do goodness And ***(3) Purify your mind!***

...

Note: The Father Almighty or another name is Allah actually wants Me to ask you all instead of Him;

(1) Now, the presidents and the prime ministers of the Christian countries are people who have worked the devil’s dirty plan since the start. Almost 100 percentages of them ***have known*** The Father Almighty or another name is Allah ***since they were born.*** And what the religion of the present prime minister of the UK is? But ***what have they done*** to The Father Almighty, The Most Beloved Daughter of The Father Almighty Whom The Father Almighty concerns the most, The Beloved Son of The Father Almighty, gods, goddesses, their own compatriots, and our world especially The Muslim World? The Father Almighty told Me “Angie, tell everyone: They all ***know whom*** they have ordered ***since the origin,*** and they all ***know who else*** they hurt and killed!” So, ***should The Punishments by The Father Almighty or another name is Allah, all gods, and all goddesses be extraordinary for them?***

...

... Should or should not?

(2) Because The Father Almighty or another name is Allah is very strong possessive of Me and Will, so He cannot stand to let Me belong to a man who is not His Beloved Son, and cannot stand to let Will belong to a woman who is not His Most Beloved Daughter. So that, The Father Almighty sent Will follow Me later to cherish and take care of Each Other. And every king, every prince, and every princess have their own soulmates to cherish and take care of each other too. ...

... However, all the harlots and their children ***strongly aim to separate*** Will and Me, and ***strongly intend to separate*** the kings, the princes, and the princesses from his (or her) soulmate ***for their fun, their ecstatic, and their devilish desires*** even though they all ***have known*** the truths earlier ***since the beginning***, and many of them ***have known*** The Father Almighty or another name is Allah ***since they were born***. ...

... ***But since the origin, what have they done*** to The Father Almighty, The Most Beloved Daughter of The Father Almighty Whom The Father Almighty concerns the most, The Beloved Son of The Father Almighty, gods, goddesses, their own compatriots, and our world? ...

... The Father Almighty told Me “Angie, tell everyone: They all ***know whom*** they have ordered ***since the origin***, and they all ***know who else*** they hurt and killed!” ...

... So, ***should The Punishments by The Father Almighty or another name is Allah, all gods, and all goddesses be extraordinary for them?***

... Should or should not?
