

***An Emergency Message to Prince William, King Charles, and Prince Harry  
(10 October 2025)***

Will, Daddy Charles, and Harry, sir. **Mommy Pinya just reversed her words on 10 October 2025 at around 9:00 pm “I just checked the appointment paper. The appointment to operate my eye will be on 15 October 2025 in the morning!”** even though the last time she told Me about the appointment, she told Me “I checked the appointment paper. The appointment to operate my eye will be on 17 October 2025 in the morning!”

Will, Daddy Charles, and Harry, sir. I have nothing to say about Mommy Pinya anymore.

Will, Daddy Charles, and Harry, sir. I apologize.

.....
