

An agreement about My Business (2)

(25 August 2026)

Almighty or Allah has told Me;

“Angie. 2 of the main reasons why the satanic agreed the agreement with Me at the start to let You run Your Business in the last year before All The 3 Men will know The Truths are;

1) The satanic planned his plan at the start to torment people who buy Your things.

And

2) The satanic planned his plan at the start “If it had a problem, we would be able to continue **tempting** All The 3 Men into waiting for by **the lie** “Angie’s Business will call many nice people out along with will call many wicked people out!””

Almighty has reminded Me;

“Angie. No matter what happens the satanic torments everyone who is allowed to be in The New Better World!”

I am not sure but Almighty has told Me;

“Angie, I will choose people to buy Your things by Myself. So, You will see that many foreign people are ready to sacrifice their lives for standing by You. So that, You will know how a large number of foreign people who want You to be in This World with them. And the foreign people who buy Your things will talk to You to help You to make A Decision to go out of The Holy Home too.”

Almighty has also emphasized to Me;

“Angie, when All The 3 Men will know The Truths “We are **fooled** into waiting for the end of the test, the end of The World, Jesus, and The Judgement” and “We are under control” **is up to** agreements which the satanic made with Me at the start. It **is not up** to You will start Your Business or not. ...

... Angie, if the right time comes, no matter what happens even You do not explicate The Truths to All The 3 Men, All The 3 Men will know The Truths **unavoidably**. This is a reason why the satanic has **tempted** All The 3 Men into waiting for by an **equivocal** sentence “Angie’s Mission is to wait for!””

Refer to the truths I have told You in This Topic and the truths in My All Works, do you think what else is an agreement about My Business between the satanic and Almighty? 😊😊😊😊
