

Another way to excuse

(11 October 2025)

(Please read them all.)

Besides their excuses which I told you in the topic “Two ways to excuse (10 October 2025)”, The Father Almighty or Allah reminded Me “Angie, You forgot their another way to excuse. It is “We did not do!””

If they excuse “We did not do”, righteous state attorneys and righteous attorneys just prove their motivations to commit the felonies and the crimes to judges and juries at every court of law. And some of their motivations to commit the felonies and the crimes are in the topic “An example for righteous state attorneys and righteous attorneys (11 October 2025)”, page 2 to page 3: If Angie is survived, what will happen? (Why they all strongly want Me to die?)
