

## **Apple**

**(7 August 2024)**

First of all, I would like to tell everyone ***“I support the advertisement about Thailand of Apple. It collides My heart ... Thank you so very much, SMUGGLER 😊😊.”***

I know that some foreign people criticized the advertisement negatively. But I would like everyone to know. ***There are 9 types of foreign people who are ready to speak “The Chakri dynasty is the best. Thai people are nice. And Thailand is good”;***

- 1) Foreign people ***who work the devil’s dirty plan with all Thai people.***
- 2) Foreign people ***who are wicked like all Thai people.***
- 3) Foreign people ***who are drug addicts or who want to try taking drugs.***
- 4) Foreign people ***who are drug sellers.***
- 5) Foreign people ***who are low-class.***
- 6) Foreign people ***who are brainless.***
- 7) Foreign people ***who are illiteracy.***
- 8) Foreign people ***who can earn money for their life in Thailand.*** And
- 9) Foreign people ***who have much money because of Thailand.***

I would like to tell ***the 9 types of foreign people*** that in the end, Thailand will be in wars both from inside and from outside. So, if you really love Thailand, do not think about how to go back to your hometown, but ***prepare yourselves for standing by all Thai people and fighting by all Thai people in wars both from inside and from outside!***

By the way, The Father Almighty or Allah reminded Me to ask all foreign people on around 29 to 30 July 2024 ***“Angie, ask foreign people “What should foreign people who tempt the other foreign people not into believing My Words but to do opposite to My Wills such as lying to the other foreign people to help pimp king Bhumibol, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, all Thai people, and all foreign people to demonstrate that “no bearing of fruits” or another word “no karmas”, be called? If they are not called “satans” or “devils”, what should they be called?””*** The Father Almighty or Allah also reminded Me to ask all foreign people on around 6 August 2024 in the morning ***“Christianity teaches Christians “Devils love to lie to humans”, and Prophet Mohammad never lies to anyone, right?”***

Anyway, now, if foreign people who love Me, who admire Me, and/or who like Me, observe My mind, you will notice that ***I am still polite with and wish Thai people who still have not shown their wickedness to Me, well, but no deep bond between us. I am because of the deeds of all Thai people which they have done to Me since I was just 14 years old, and the deeds of all Thai people which they have done to foreign people all over the world since the end of November 1999.***

So, I would like to call for the foreign people who love Me, who admire Me, and/or who like Me, no matter what your religion is. ***You have been offended, have been suffered, and have been tormented, and maybe someone you love has been offended, has been suffered, has been tormented and/or was killed, and all developed countries have been like "slums" by all Thai people and Thailand. So, we must not honour and respect any Thai people even the members of the satanic Chakri dynasty who all are disgusting garbage which cannot be "recycled" of the world!***

😊😊 ***Last, thank you so very much again for SMUGGLER*** 😊😊.

***And Last, for Apple ... I am looking forward to Steve Jobs to come back!***
