

Appointment (23 July 2024)

I am stopping sending My mind from 25 July 2024 to 2 August 2024. And I will be back on 5 August 2024.

From 5 August 2024 to 9 August 2024, I am re-jockeying songs which tell everyone “Angie is The Only One Prophet of The Current Millennium” and “How to solve our problems”.

And from 12 August 2024, I am backing to tell the truths to everyone again. But I will tell the truths and stop telling the truths again and again, and again and again in loop. When I will stop telling the truths and come back to tell the truths again are up to My strength at that time.

Please understand Me that many of video clips which I am opening talk to Prince William, King Charles, and Prince Harry, but I intend to tell the truths to foreign people especially foreign reporters and foreign creative people ***in hope that*** other foreign people ***are smarter than*** Prince William, King Charles, and Prince Harry because ***I really need your help.***

Normal people will not definitely want to be severely tormented continually again and again and again and again until they die. And I and My Parents are normal people. ...

... My Dad cried. Nobody saw, but I saw. I also saw he swept his tears. ...

... So, I really need your help. ...

... See you.

Thank you very much, sir.
