

As a piece of evidences (10)

(Please read them all.)

One of My Works on My Website was lost. So, I need to tell the truths in The Work to you again;

Because Nok is a devil, so I do not want her to live with Me and My Parents after Prince William calls Me. So that, I asked Almighty or Allah “Do We have any ways to speed the time to die of Nok up?” and Almighty answered Me “Yes, just tell English police officers to ask the Thai police for sending her to be interrogated and investigated there!”

Whereas, I figured the truths out later that the satanic ordered Almighty to **tempt** Me like that to succeed in one of his wicked plans to **alibi**;

2 ways of the wicked plan are;

1) After the English police officers will have asked the Thai police officers for sending Nok and many suspects in Thailand to be interrogated and investigated in England, the Thai police officers will not surrender to quickly send them there by an **excuse** “Because “our best witnesses” confessed “We are henchmen of Queen Elizabeth and The British Monarchy” and “Queen Elizabeth and The British Monarchy have Their henchmen all over The World”, so we cannot send “our best witnesses” to be interrogated and investigated abroad. We need to protect “our best witnesses” our best!”

The satanic has 3 ways for “his best witnesses”

1.1) **Pretence** to kill them while they are **in Thailand** to let them show themselves to the public again to **lie to** foreign people “Queen Elizabeth and The British Monarchy ordered Their henchmen in Thailand to kill us in that They are afraid of we will expose Their war crimes, felonies, and crimes to The World!”

1.2) After the Thai police officers will not have been able to stand scolding words from the foreign people all around The World because of **the excuse** “We need to protect “our best witnesses” the best”, the Thai police officers will send “their best witnesses” to England.

Next, their henchmen in England lead by David Cameron will **pretend** to kill “their best witnesses” **in England**. And **because at that time I, My Parents, and My Group will be still detained in Thailand, so the satanic will be able order Almighty to make the best witnesses to have conditions like death people.**

(The order to make his co-workers to have the conditions like death people is one of the orders in the agreements which the satanic will be able to still order Almighty after Prince William will have called Me and Almighty will have let everyone do the right.)

Then, families of “the best witnesses” and the Thai government will call England for sending the **fake** dead bodies of “the best witnesses” to do religious funerals in Thailand.

After the **fake** dead bodies of “the best witnesses” will have been sent back to Thailand, they will breathe again but will hide themselves from the public to show themselves to the public again to **lie to** the foreign people “Queen Elizabeth and The British Monarchy ordered Their henchmen in England to kill us (Or “Queen Elizabeth, The British Monarchy, and Most of English People ordered The God to kill us”) in that They All are afraid of we will expose their war crimes, felonies, and crimes to The World!”

Or

1.3) After the English police officers will have asked the Thai police officers for sending Nok and many suspects in Thailand to be interrogated and investigated in England, **some** of the best witnesses whom I will not definitely believe their words will be **really** killed. (Because if I do not believe their words, I will be able to confirm to the foreign people by Reasons what they are and they laid the lies.) But the Thai police officers will **lie to** the foreign people to **blacken** Queen Elizabeth, The British Monarchy, Most of The English People, and England “Their henchmen killed our best witnesses!”

Or

2) After the English police officers will have asked the Thai police officers for sending Nok and many suspects in Thailand to be interrogated and investigated in England, “The best witnesses” will be fast sent to England. And please read 1.2) again.

By the way, Almighty told Me to emphasize an important truth to you “Angie. The satanic planned to **excuse** to the foreign people after Nok shows herself to the public again “A person who confesses the truth “We work the plans with Queen Elizabeth, The British Monarchy, and Most of The English People” is Nok who is the only one younger sister of Angie!”
