

As a piece of evidences (11)

(23 July 2026)

(Please read them all.)

Because for criminal laws, there is a principle “No crime, no punishment without law”, so Almighty or Allah strongly wants Me to write This Topic to be a piece of evidences.

What Almighty strongly wants Me to write to be a piece of evidences?

“Pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants, and their many co-workers knew what punishment else each of them will get because each of them offended Us and his victims. In that Almighty had told each of them about the punishments before he decided to offend Us and his victims.

They all also knew that they all will be brought to be punished by Sharia Law of The Muslim World which 2 of The Main Principles to judge are “An eye for an eye. A tooth for a tooth” and “An offender must be punished until his victim will be pleased”.

And they all knew that for civil liability in connection with an offence, if their all money is not enough for compensating all compensations and interests, they all will be brought to be violently tormented to die instead of the compensations and the interests too!”
