

Australian people ... carefully consider!

(16 April 2025)

(I wrote these truths and intended to post them on My Website on 15 April 2025. However, pimp king Bhumibol, pimp king mha Vajiralongkorn, and the satanic Chakri dynasty ordered The Father Almighty or another name is Allah to make Me feel sleepy on 15 April 2025 almost all days in that they strongly want to throw all their guilts on all Australian people. So, I posted these truths on My Website on 16 April 2025 when was still in the period of Songkran Day!)

Before all else, I would like you to know that I had a chance to read the book “Go Ask Alice” at a rental book shop at a night in around 2005 to 2006. I remembered that “Alice” was an Australian female teenager. And I slightly remembered that The situations which happened to Alice were occurred in around 1990 because the book is about diaries, and the diaries noted dates, months, and years when the situations happened. But after I had recently gone online Google, I found that the new version of the book **was changed** some truths such as Alice was an American female teenager, and the situations which happened to Alice were occurred in 1971. Whereas, The Father Almighty or another name is Allah underlined the truths to Me “Angie, Alice was an Australian. And the situations did not happen in 1971. Australian people ordered the writer to change the truths in the book to **blacken** American people!”

I would like to emphasize the truths again: The Father told Me “Angie, Australia is a land of prisoners. And **plenty of Thai people live in Australia!**”

To figure out what have happened there, I would like you to know that after I had recently gone online Google, I found that when pimp king mha Vajiralongkorn was crown prince mha Vajiralongkorn, he studied not only at King’s Mead, the UK, and Millfield School, the UK, but also The Royal Military College, Duntroon, Australia and University of New South Wales, Australia. He spent his life in Australia **around 6 years**. I had had a chance to read his education history a long time ago, and I remembered that he went to Royal Military Academy Sandhurst, the UK too. And The Father told Me in March 2025 “Angie. **He knows many soldiers there!**”

Refer to the truths I told you “Pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty are the big bosses of the Thai **soldier** drug-selling gang. And they and their gang planned to grow the gang up **all around the world.**”, could you figure out what have happened in Australia (and the UK)?

To point you to see more truths, I would like to tell you about a foreign female woman whom I believe that she is an **Australian**. But she has lived in My village **more than 10 years**.

The first time I met the Australian woman was the day in the morning after the wedding ceremony of Prince William and Kate. I met her at an entrance of My village.

After that, I met her in My village 3 – 4 times. And I know that she lives at an apartment in My village.

The latest time I met her, I met her at the entrance of My village. She rode a bicycle to Koy's Kitchen. While she was being on the bicycle, she made a sign to request something from Koy. But Koy responded her by a sign which means "Today, I do not have that thing!"

At first, I thought that the Australian woman requested Koy for some food. After that, The Father told Me "Angie, the Australian woman requested Koy for **some drugs.**" Later on, The Father told Me "Angie, the Australian woman **has provided drugs for foreign people in Thailand.** After she heard you wrote "After a man addicts drugs, the price of the drugs can be increased more that 1,000 percentages of the price before the man addicts drugs" And "Did you see that being the big bosses of the Thai soldier drug-selling gang made pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty to be "the riches monarch in the world"?", she wants to be a billionaire by selling drugs but **not thinking of what else is a mortal sin which brings her to die in hell and the eternal flame forever and not thinking of the death of her compatriots and other people!**"

The Father also told Me "The Australia woman is assigned to help all Thai people **to alibi and to blacken** Will, The British Monarchy, British people, and the UK the same as almost all foreign people who live in Thailand too!" And "The Thai drug-selling gangs will appoint the Australian woman to be a big drug-dealer in Australia!"

I believed that The Father told Me the truths because the last time I bought food from Koy many years ago, after I had eaten the food, I felt like I had sexual emotion! ... So, **where Koy took the drug-facilitated sexual assaults?**

Could you figure out what have happened in Australia and all countries all over the world?

I strongly believed that all parts of the Australian government including the Australian senate have worked the devil's dirty plan. This is a reason why an Australian female senator shouted to King Charles "You are not my king!" while King Charles was visiting Australia at the latest time. But The Father still has not confirmed to Me that all the Australian people work the plan all or not all the Australian people work the plan.

By the way, because *a good monarch keeps tabs on the government of his country what else the government does to his beloved citizens and his beloved country*, so I would like to tell all the Australian citizens and all the citizens of the countries in The Other Commonwealth Realms that if I am The Queen of The UK and you do not want to be in The Other Commonwealth Realms anymore, I Myself do not mind ... My Pleasure ... Because the countries where We have to keep tabs on the governments will be decreased. *But you yourself are the side that have to carefully consider. Because if an evil gang wants to devastate citizens of a country and the evil gang can entice all parts of the government including the senate of the country to work the plan, but the country does not have a good monarch, who can help the citizens of the country? ...*

... As A Victim of the drug-selling gangs, I have direct experiences in how the gangs "severely torment" and "kill" Alice, their targets, and Me. And The Father told Me more than several times "Angie, nobody can stand the plans of the evil gangs but only You!" ...

... As a result, if your country does not have a good monarch and if there are not any good monarchs in any countries, how many children, teenagers, and young adults will be passed away like "Alice" in the book "Go Ask Alice"? ...

... Could you figure out why overthrowing all ethical monarchies are in their plan? Could you figure out one of the main reasons why pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty have aimed at Queen Elizabeth, King Charles, Prince William, Prince Harry, and Prince Andrew as The Main Targets to overthrow? And could you figure out why the Australian government and the Australian senate do not want to continue to be in The Other Commonwealth Realms? ...

... So, before you will call the UK for not being in The Other Commonwealth Realms, carefully consider! ...

... And if you are completely out of The Other Commonwealth Realms, do not think of requesting the UK for coming back to be in The Other Commonwealth Realms again! ☺☺☺☺ (4 Smiles of Prince William, Me, Prince Harry, and Prince Harry's Soulmate!)
