

## ***Because Kate Middleton thinks “Living in a prison is much safer!”***

***(14 April 2026)***

***(Please read them all.)***

Almighty or Allah told Me on 14 April 2026 at around 6:00 pm “Angie, tell everyone what Kate Middleton will **choose** to do **by herself** and do not forget to tell everyone **how “a karma” works**”;

Not more than 1 week, Almighty started telling Me;

“Angie. Because if Will fired Kate out of the position and the palace, she would extremely lose her face. So, she will choose to go out of the palace by herself!”

But Almighty also told Me;

“Angie. If Kate chose to go out of the palace by herself, she had to live her life in dangers. Because David Cameron and his henchmen could easily kill her. So, she will **choose** to be arrested by English policemen **by herself** because she **thinks** “Living in a prison is much safer!””

“Angie, point everyone to see **the truths of how “a karma” works**;

Because Kate is one of the devils who has sent **her thoughts** to fool Will into believing “This is a test. You must spend Your Life with harlots before” to see Will **surrender to be detained** to spend His life with her and other harlots and to do as their orders. Therefore, in the end, because Kate **thinks** “Living in a prison is much safer!” so, she will **surrender to be detained** in a prison by **her thought** the same as Will surrendered to be detained to spend His life with her and the other harlots and to do as their orders by **her thoughts**!”

Almighty told Me on 14 April 2026 at around 9:20 pm;

“Angie. Although living in a prison is much safer, Kate **will be killed in a prison** like Will, You, her targets to torment, the good, and numerous people **were detained to be tormented to die by her**. If she was not killed in the prison, she **will be detained in the prison until she will be taken down to die in Hell and Fire** like she **intended to detain Will, You, and many people to be tormented to die by her**!”

Because Kate Middleton **thinks** “Living in a prison is much safer!”

So,

she will **choose** to “**live in a prison**” **by herself**!
