

Because Kate Middleton thinks “Living in a prison is much safer!” (2)

(15 April 2026)

(Please read them all.)

Almighty or Allah told Me on 15 April 2026 at around 10:00 pm “Angie, because I told You why Kate Middleton **will not choose** to escape from arrest but **will choose** to “**live in a prison**” **by herself**, so Angie, tell everyone the reasons I have told You”;

Before all else, I would like you to know that Almighty told Me on 15 April 2026 at around 11:00 am “Angie, foreign people who work the plan but are not allowed to pretend to die to be moved from their countries to a Thai palace by Me, are the foreign people whom most of other foreign people have full of confidences that they work the plan. Because their words will not have any weights at every court of law. So, they became **useless!**”

Therefore, after Kate Middleton will have carefully considered;

“I have committed many felonies and many crimes including the offences of fraud to Prince William and The British Monarchy. Hence, my all money and my all properties will be taken away from my possession. So that, I will have no money.

The UK is plenty of henchmen of David Cameron.

If I decided to escape from arrest, I would be able to escape not so far, and I had to die a very painful death as my Thai leaders used The Voice of The God to lie to their targets to lie to.

After I would have died, I would be taken down to be everlastingly tormented in Hell and Fire.

But if I choose to be “jailed in a prison”, my time to die a very painful death will be delayed.

Although I have no money and no property anymore, I will have 3 meals for a day in the prison.

If I am “jailed in a prison”, no one can easily kill me. Thus, my time to be taken down to be everlastingly tormented in Hell and Fire will be delayed too!”,

Kate Middleton will **choose** to be arrested by English police officers to be “jailed in a prison” **by herself!**

Because Kate Middleton **thinks** "Living in a prison is much safer!"

So,

she will choose to "live in a prison" by herself!
