

Because “Law of Karma” is always the fairest!

(20 October 2025)

(I wrote these truths from 19 October 2025 to 20 October 2025, and posted them on My Website on 20 October 2025. Please read them all.)

Because Ad-harn family allowed The Father Almighty or Allah to tell Me, so The Father has told Me some situations which will happen to all members of the satanic Chakri dynasty as “Law of Karma” is always the fairest;

- “Angie. Because all the members of the satanic Chakri dynasty strongly want Mommy Pinya who is 76 years old to cook for everyone in Your Home and to clean Your Home by Herself, and strongly want You who are weak to do housework by Yourself, so at the period of the time while “The Wanted List of The God” Which has their names, still has not been sent into hands of righteous foreign police officers, they will be afraid of their royal servants will put poisons and/or drug facilitated sexual assaults into their foods and/or beverages to capture them to send abroad before “The Wanted List of The God” Which has their names, will come. Therefore, they will fire their all royal servants out of their palaces. For that reason, they will need to cook and do housework by their own themselves ☺☺. ...

... Angie. Not only all the members of the satanic Chakri dynasty will be afraid of their royal servants will put poisons and/or drug facilitated sexual assaults into their foods and/or beverages but all Thai people who work the plan will be also afraid of others will put poisons and/or drug facilitated sexual assaults into their foods and/or beverages to capture them to send abroad and/or to kill them not to be able to help the righteous foreign police officers to link them up to know “Who else is a real felon?” ☺☺”

- “Angie. Because all the members of the satanic Chakri dynasty have ordered Me to change The Appearances of Yours, Will, Harry, and Harry’s Soulmate, so before they all will escape from their palaces, they will take turn to splash acid on their faces to make the others outside their palaces cannot remember them ☺☺.”

- “Angie. Because all the members of the satanic Chakri dynasty enjoy people betraying You, Your Parents, Your Group, Will, The British Monarchy, All Ethical Monarchies, and the good, so, after all the members of the satanic Chakri dynasty will have given money to some Thai people for helping them to escape, the Thai people will receive the money but will not come to meet all the members of the satanic Chakri dynasty again ☺☺.”

- “Angie. Because all the members of the satanic Chakri dynasty love to torment the others including torment hosts of houses which they will stay to hide themselves from public, so while they will be staying at the houses, they will be tormented by the hosts ☺☺.”

- “Angie. Because all the members of the satanic Chakri dynasty love to order the others to put drug facilitated sexual assaults into Your foods and beverages, love to put “sexual emotion” on You, and love to control You to masturbate, so while they will be escaping, they will be raped by big groups of men not only once or twice! ☺☺ ...

... Angie. An example of the situations is that ...

... At a night at the house where prostitute Ubolratana Rajakanya and prostitute Sirikitiya will be staying to hide themselves from public, many men will sit in a circle to drink liquor. When the men will be drunken, the men will talk to altogether loudly. Hence, prostitute Sirikitiya will powerfully scold them “Do not make the loud noises. I will sleep!” Then, all the men will be angry with prostitute Sirikitiya, and will go to her bedroom to rape her and her mother! ☺☺”

- “Angie. Because Some of My Conditions to all the Thai people is “I want Thailand to send all the members of the satanic Chakri dynasty while they all are still alive. Do not send their dead bodies. Do not send fake people. Otherwise, a huge group of the Thai people will be died a group by a group, a group by a group, and a group by a group!” , so in the end, all the members of the satanic Chakri dynasty will be betrayed by people whom they trust like You are betrayed by people whom You trust! ☺☺”

- “Angie. Because all the members of the satanic Chakri dynasty love to let the others see The Naked Bodies of Yours and Mommy Pinya, so while they will be being in prisons which will be in publics and will be made by glasses, they will take off their all clothes to tempt the others into believing “They have got psychosis” to let them free from the prisons. So, everyone who will be at areas of the prisons will see their naked bodies! ☺☺”

- The Father told Me and ask Me “Angie. All the members of the satanic Chakri dynasty have spent luxury and comfortable lives as a royal family that everyone respects and makes them feel pleased all their lives. So, Angie. What they will feel when they are powerless and the others treat them the worst like when they all order the others to treat You, Your Parents, and Your Group Who are being powerless, the worst? ☺☺”

Last, The Father told Me to ask all the members of the satanic Chakri dynasty “You all are Buddhists, so you all knew what karma is and how karma works. And My Daughter told you all some situations which will happen to you all as “Law of Karma” is always the fairest. ... Will you all stop?” ...

... ☺☺ Because “Law of Karma” is always the fairest! ☺☺ ...
