

Because “Law of Karma” is always the fairest! (3)

(16 December 2025)

(I wrote these truths from 15 December 2025 to 16 December 2025, and posted them on My Website on 16 December 2025. Please read them all.)

Examples which can confirm that “Law of Karma” is always the fairest are;

1) Ratchaneewan Ad-harn has a son and a daughter. The name of her son is “Taweesan Ad-harn”, nickname “To”. And the name of her daughter is “Nattha Ad-harn”, nickname “Tom”.

Although Ratchaneewan has the only one daughter as her youngest child she loves the most, the apple of her eye, she and Ad-harn family have run her plans to make Me lose My Virginity, addict drugs, and suicide since I was just 14 years old.

Whereas, Ratchaneewan and her family started to launch rumours about Me such as “Kay is hot” “Kay loves to flirt men” and “Kay speaks “sweet voice” with men to flirt the men” when I was just 11 years old. At that time, Tom, her only one daughter and the apple of her eye, was around 4 years old.

Therefore, Tom, her only one daughter and the apple of her eye, grew up and became a child as the rumours which Ratchaneewan and her family launched about Me!

After that, Ratchaneewan and her family used behaviours of Tom, her only one daughter, to spread the rumours about Me. One of her aims is that no good boy would be interested in Me. However, I did not become as her rumours, but became “a star” of Thammasat University where I studied a bachelor degree. **Whereas, no good boy was interested in Tom, her only one daughter and the apple of her eye, and Tom lost her virginity by grabbing a boy when she was around 11 – 12 years old!**

Ratchaneewan and her family did not stop. After I had graduated the bachelor degree, Ratchaneewan hired a virginity hunter devil whose name is “Wisit Sanerkaew”, nickname “Tu” to destroy My Virginity and pregnancy without any fathers.

Therefore, a woman whom had sex with Tu is not Me, but “Tom”, her only one daughter and the apple of her eye. And a place where Tom had sex with Tu was Tom’s bedroom in Ratchaneewan’s house!

I am not sure but The Father Almighty or Allah told Me that Nee who is a maid in Ratchaneewan’s house took Tom to have an abortion!

The Father has told Me since around 2005;

“Angie, after I had told Ratchaneewan “The True Soulmate of Angie is Prince William of The British Monarchy”, she asked Me “How can Angie be The True Soulmate of Prince William? Angie had sex with “Tu”” ...

... So, after I had told her “A woman whom had sex with Tu is not Angie, but Tom!”, her mind screamed out loudly in that she really knew what type of men Tu whom she hired to make You lose Your Virginity and pregnancy without any fathers, is. ...

... As a result, she strongly wants You and Your Parents to suffering die with the result that she conditioned Me for the first time “If You do not want Angie to be death, everything in the world must be as my thoughts!”. I answered her “You cannot kill Angie. Angie must teach”. Then, she furiously conditioned Me “If You are not under my orders, I will kill Angie!” ...

... And since then, she has enticed all the Thai people and many foreign people all around the world to participate in making You, Your Parents, and Your Group suffering die by her thought “If innumerable people all over the world help me to make Them suffering die, They will be suffering died surely!” ...

... Therefore, the story has gone on until everyone knew what the satanic Chakri dynasty, all the Thai people, and Thailand are, and who else is their co-worker!”

How about her son?

Ratchaneewan started to extremely launched the rumours about Me when I was just 14 years old. One of her aims is that I would not be able to pass a university entrance examination. But I could pass the entrance examination to be a freshy of faculty of law, Thammasat university, the number one of faculty of law in Thailand at that time. **But To, her only one son, could not pass a university entrance examination and needed to study at a university which students who could not pass the entrance examination study!**

Later on, Ratchaneewan did all ways which she could to make Me not to be able to graduate the bachelor degree at Thammasat University and did all ways which she could to make Me cannot get any scholarships to study abroad. But I could graduate the bachelor degree within 4 years. **Whereas, To, her only one son, studied more than 4 years to graduate the bachelor degree from the university which students who could not pass the entrance examination study, so To will not be able to get any scholarships to study abroad too. And To could graduate the bachelor degree because they ordered The Father! ...**

... The Father told Me “Angie, You still have not known what else has happened with the professors who worked with Ratchaneewan and her family to persecute You by cheating Your scores of the examinations to be fail and/or cheating Your scores of the examinations to be less than they must be so as to make You not to be able to study abroad!”

And

2) Pimp king Bhumibol and his family have run his plans to overthrow all ethical monarchies by using wicked women to tempt good kings and good princes to be bad and lustful since before 1960. **Therefore, people who became bad and lustful are him, his wife, and people whom he raised like his offspring especially pimp mha Vajiralongkorn!**

And pimp king Bhumibol has detained Me in Thailand to severely torment Me to die. **Therefore, he became “a cripple”.** After that, he has not been able to walk by himself but has needed a wheelchair and a person who pull the wheelchair to move himself! ...

... Could you notice how different of walk between Queen Elizabeth, Prince Philip, and pimp king Bhumibol **at a similar age** is? ☺☺☺☺

The Father told Me;

“Angie. Ratchaneewan and her family still have not accepted that “Law of Karmas” have rebounded her and her family since before the end of November 1999. They all still have not realized that if “no karma”, why the story has gone on like these. And they all still have not stopped, but have still passionately enticed people all over the world to work the plan by a temptation word “No karma!” ...

... Angie. Pimp king Bhumibol and all the members of the satanic Chakri dynasty still have not also accepted what else has happened them. They all still have not realized that if “no karma”, why the story has gone on like these. And they all still have not stopped, but have still passionately enticed people all over the world to work the plan by the temptation word “No karma!” too. ...

... So, Angie, tell everyone to keep watching: What else will happen to Ratchaneewan, her family, pimp king Bhumibol, all the members of the satanic Chakri dynasty, all the Thai people, and Thailand after Will will have succeeded in helping You, Your Parents, and Your Group to go out of Thailand to fly to The Holy Home and We will have proceeded Our Court Cases against them?” ...

... **“Because “Law of Karma” is always the fairest!”** ...
