

Because everyone knows himself what else he has done!
(19 August 2025)

Since 17 August 2025, The Father Almighty or Allah has told Me to declare;

“Angie, proclaim the truths I have told You to everyone;

Angie, I sent You, Will, Harry, Harry’s Soulmate, some gods, and some goddesses to be born in this world **to save the world and to change the world to be “The New Better World”**. ...

... **Therefore, people who are allowed to reform themselves in “The New Better World”, are people who can control their minds not to think and/or not to do evil deeds** such as whoever can control his mind that wants to possess things which are not his things, whoever can control his mind that wants to have things which his own karmas do not accept him to have, whoever can control his mind that wants to be someone which his own karmas do not accept him to be, whoever can control his envious emotion not to hurt others who are better than him, whoever can control his sexual emotion not to be promiscuous, and whoever can control his mind that wants others to get hurts and/or be tormented. ...

... Angie, **people who cannot control their minds not to think and/or not to do evil deeds, are not allowed to reform themselves in “The New Better World” certainly**. Because if the people were allowed to be in “The New Better World”, the world would be “chaos” as at present, but would not be changed to be “The New Better World” as My Will. So, I do not really want the people to annoy Me by a question “Why we **are not allowed** to reform ourselves in “The New Better World”?” ...

... Angie, another group of people who **are not** allowed to reform themselves in “The New Better World” is **the group of people who know that there is Me, so there must have Hell and Fire certainly, but they insist to think and/or to do evil deeds continually**. Their minds ask Me “I will do. Why? I will do. What do You do to me?” and they have mockingly and funnily laughed at You, Will, Harry, Harry’s Soulmate, gods, and goddesses Whom I sent to be born in this world to save the world and to change the world to be “The New Better World”! ...

... Angie, **another very important truth is that You, Will, Harry, and Harry's Soulmate are sent to be born for the first time.** It means that **You All Who are My Daughter, My Son, and My Children do not have any old karmas in any previous lives.** I mean that all evil deeds which all evildoers have done to Each of You All are **all new bad karmas, with the result that all the evildoers must be rebounded by their all evil deeds in Hell and Fire!** ...

... But Angie. People who tried ordering Me to see that I can really do anything or cannot, and after they had known that I can really do anything, they stopped ordering Me and never order Me again, and people who believed My Warning "If you join the plan, in the end, you must be responsible for your evil deeds" and they decided not to join the plan, are allowed to reform themselves in "The New Better World" 😊😊 ...

... Angie, because Will, Daddy Charles, and Harry still have not known the truth "We are fooled into waiting for Jesus and The Judgement" and still have not believed Our Solution, **so Angie, quickly proclaim the truths to help Me not be annoyed by the question "Why we are not allowed to reform ourselves in "The New Better World"?" in that everyone knows himself what else he has done!"** ...

... **"Because everyone knows himself what else he has done!"** ...

.....

Note: The Father created Me and Prince William by Himself, His Soul, and His Love. And The Father created Prince Harry and Prince Harry's Soulmate by Himself and His Love. Prince Harry and Prince Harry's Soulmate just do not have The Soul of The Father in Their Souls. But We All are The Children of The Father. We All were Playmates in Heaven 😊😊.
