

Because they are “the lies”!

(7 August 2025)

I have heard **“the lies”** about many European Royal Families.

Why I believed that they are **“the lies”**?

It is because;

1) Parenting style of European parents and parenting style of Asian parents are different. And The Father Almighty told Me several times “Angie, pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and all Thai people **envy** The British Monarchy, The Danish Monarchy, The Dutch Monarchy, The Spanish Monarchy, and The Swedish Monarchy because The Monarchs of The Royal Families parented their children to be nice and their countries are tidy, beautiful, developed, and nice to live”.

2) The Father Almighty told Me many times “Angie, good Monarchs keep tabs on the governments of their countries how the governments govern their countries and their beloved citizens. So, **Angie, You have to point the citizens of The European Monarchs to see that before 2000, how their countries were. Were their countries tidy, beautiful, developed, and nice to live? Angie, emphasize to them that their countries before 2000 were one of the best mirrors to reflex their monarchs 😊😊.**”

3) I know natures of pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and all Thai people. Some of their wicked natures are not only envy, tricky, wicked, excellent in deception, and excellent in blackening others, but also **excellent in setting people by the ears.**

4) **I have known their plan since 2013. Thailand and the US government strongly want to overthrow All Ethical Monarchs because they all planned to tempt the beloved citizens of The Ethical Monarchs into being “slaves of drugs” to persecute and tyrannize the citizens after The Ethical Monarchs will be overthrown. Therefore, Kings, Princes, and/or Princesses of All Ethical Monarchs are ordered and/or are controlled to marry harlots or pimps.**

As a result, a significant truth which you can notice from the plan is that **if an evil gang wants to persecute and tyrannize citizens of a country but the country has The Ethical Monarch, the evil gang must hurt and overthrow The Ethical Monarch before persecute and tyrannize the citizens of the country in that The Ethical Monarchs will not surrender to let their beloved citizens to be persecuted and tyrannized by any evil gangs.** Did you see the US as an example? The US does not have the monarch. So, pimp king Bhumibol, prostitute queen Sirikit, and the satanic Chakri dynasty **just enticed the US government** to work the plan. And **how will citizens of a country where does not have The Ethical Monarch do if most of government officers of the country work the plan?**

Therefore, because you have seen the wicked works of Thailand since 2000, so could you forecast if your country did not have The Ethical Monarch, what would happen?

And

5) **If** I believed that the information about The European Royal Families who are their targets to blacken and overthrow were the truths, they could fool The Monarchs and people who really know how nice The Monarchs are: "The stories about the Chakri dynasty, all Thai people, and many foreign people which Angie, Her Parents, Her Group, and many foreign people have heard, **are not** the truths!"

Because of the 5 reasons and because although The European Royal Families who are their targets to blacken and overthrow are nice, they cannot be opened their minds to show how nice they are (in that only The Daughter and The Son can be opened The Minds, but others cannot be opened their minds even gods and goddesses who are sent to save the world ☺☺), so pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and their co-workers have tried to set the beloved citizens of The European Royal Families who are their targets to blacken and overthrow and Me by the ears to make the beloved citizens of The Monarchs misunderstand The Monarchs to be easy to overthrow The Monarchs, and once again: They strongly want to deceive The Monarchs and people who really know how nice The Monarchs are, not into believing the truths of the satanic Chakri dynasty, all Thai people, and many foreign people from Me.

However, it does not mean that all European Royal Families are nice all. But **you who are a citizen of the country know your country the most: Before 2000, how was your country? Was your country tidy, beautiful, developed, and nice to live? Once again: Your country before 2000 was one of the best mirrors to reflex your monarch 😊😊.**

Another foremost question is that **whose** voices I have usually heard since 2000?

I would like to confess that because the lies about The European Royal Families who are their targets to blacken and overthrow have been repeatedly put into My ears, so I almost believed the lies. But **after I had figured it out that they are “the lies”, I heard “ได้กรู้ ... เห็นมัย?”** or can be translated in The English Language **“Did you see The Kid knew?” 😊😊 ...**

... The Father Almighty or Allah wants to teach everyone especially Christians and Muslims to rationally believe 😊😊.

By the way, I did not hear anything about other European Royal Families or heard the information not much until I cannot use the information to carefully consider. If I make the other European Royal Families feel like you are not important, I heartily apologize. But I actually want the beloved citizens of the other European Royal Families to know that I did not write anything about your Monarchs does not mean that your Monarchs are not nice 😊😊.

Last, I would like the beloved citizens of The European Royal Families who are their targets to blacken and overthrow to know that The Father Almighty told Me **“Angie, tell the beloved citizens of The European Royal Families who are their targets to blacken and overthrow that in the end, I will request them to help their Monarchs by being the witnesses of their Monarchs and Us at every court of law” 😊😊.**

Because

... 😊😊 They are “the lies”! 😊😊 ...

😊😊😊😊😊😊😊😊
