

Before challenging (2) ***(31 March 2025)***

Will, Daddy Charles, and Harry, sir. Before I am challenging You All today, think twice;

Will, Daddy Charles, and Harry, sir. I ***have not*** been slept enough extremely since I started to challenge You All, right? And since then, they ***have not*** let Me take any naps from I am woken up to they let Me sleep, right?

So, Will, Daddy Charles, and Harry, sir. If You All ***rationally*** think, You All will ***know*** “Angie highly tends to fall asleep while She is challenging Us”, right?

But Will, Daddy Charles, and Harry, sir. If I fall asleep, You All will ***irrationally*** think “Daddy Almighty does not want Us to listen to Angie”, right?

Will, Daddy Charles, and Harry, sir. Carefully consider: ***Are My Explanations before asking You All My Questions and My Questions reasonable?***

So, Will, Daddy Charles, and Harry, sir. Did You All figure out ***why*** they have ordered Daddy Almighty to make Me sleep not enough extremely but have not let Me take any naps every day?

Will, Daddy Charles, and Harry, sir. Daddy Almighty sent Me to teach everyone to ***rationally*** believe such as everything happens to you ***because of your deeds***, not because of Daddy Almighty or Heaven. Will, Daddy Charles, and Harry, sir. ***A proverb from The Bible is “You reap what you sow” But why Christians and Muslims strongly believe “Our lives are up to The Father Almighty or Allah”?*** 😊😊

Therefore, Will, Daddy Charles, and Harry, sir. ***If I fall asleep while I am challenging You All, did You All know the reasons?*** 😊😊
