

***Before challenging***  
***(27 February 2025)***

Before challenging, I would like to ask Will, Daddy Charles, and Harry;

Will, Daddy Charles, and Harry, sir. Yesterday and last night, did You carefully consider My Questions to find An Answer? Will, Daddy Charles, and Harry, sir. Daddy Almighty knows! 😊😊

Will, *if You forgot to carefully consider My Questions to find An Answer yesterday and last night, is it because I am not The Most Important Woman in Your Heart and Soul, or You have been controlled not to think about My Questions?* Will, if You answer “Angie, I tired, so I slept”, Will, You tired almost every day, why they let You sleep last night? And Will, if they let You sleep almost every day, did You know why? 😊😊
