

Before selling and buying (3)

I would like to cursorily tell everyone who aims to buy My thing (or things);

Because I do not have the money to put down as collateral with the bank to open a credit card and a debit card payment service, so initially, I need to give My bank account number on My Website for a buyer to transfer money to My bank account by mobile phone application. (The buyer is responsible for a transfer fee of his bank. But I am responsible for a fee of My bank.) Then, the buyer sends a money transfer slip to Me. **Therefore, initially, it is more comfortable for a buyer to use his mobile phone to buy My thing (or things)** 😊😊.

😊😊 See you 😊😊

😊😊 Best Wishes with Love 😊😊
