

Before selling and buying (4)

I would like to cursorily tell everyone who aims to buy My thing (or things);

Because I cursorily knew from staff of MakeWebEasy how I can use the system of MakeWebEasy to receive money from a buyer: I need to give My bank account number on My Website to a buyer for transferring money to My bank account by mobile phone application or transferring the money at a bank. (The buyer is responsible for a transfer fee of his bank. But I am responsible for a fee of My bank.) **Then, the buyer sends the money transfer slip to Me.** And if the buyer is not a person and/or people in 1.1, 1.2, and 1.3 of the payment terms and conditions, after I arrive My Home in Bangkok, I will send My thing (or things) to the buyer as fast as I can.

Crucial truths which I considered were that for This Process, the system of MakeWebEasy opens a chance for a buyer who is a good middle-class person and can put My thing (or things) into his basket but his credit card limit and/or debit card limit is not enough to pay for My thing (or things) in his basket, to find enough money to pay for My thing (or things) by mobile phone application or transferring at a bank within 72 hours 😊😊. (I chose 72 hours because after September 2026, I am posting My things for selling on My Website on the last Friday of the months 😊😊.) Then, the buyer sends the money transfer slip to Me. And for This Process, I will not pay much bank fees too 😊😊. So that, This Process helps us to win-win 😊😊.

Therefore, because most of foreign people have mobile phones, so a buyer can use his mobile phone to put My thing (or things) into his basket. And if the buyer did not have enough money, a credit card, a debit card, and/or the credit card limit reached, he will have the time 72 hours to find enough money to transfer to My bank account by mobile phone application or at a bank before his order will be cancelled after the 72 hours will have passed 😊😊. Then, the buyer sends the money transfer slip to Me 😊😊.

I really knew that Almighty or Allah strongly wants Me to use This Process to receive money. After Prince William will have called Me for the first time, I will tell foreign reporters what Signs from Almighty or Allah to help Me to know that He strongly wants Me to use This Process to receive money 😊😊.

I would like you to know that I **do not** mean that I aim only good middle-class people to buy My thing (or things). I aim owners of brands, good millionaires, nice billionaires, and moral collectors to buy My thing (or things) too. But because I was born and grew up as a middle-class person, and because now, tremendous good middle-class people have hard lives, so I just really want to be a part of The World's Society to help many of them to have better lives in order to share "their opportunities" out with other people who have hard lives, later too 😊😊. ...

... I actually would like the owners of the brands, the good millionaires, the nice billionaires, and the moral collectors to understand Me: If you do not work the plan, I will really much appreciate if you support Me, Our Lives, and My Ways by buying My thing (or things) too 😊😊. ...

... Although I love money because if I have much money, My Parents, My Group, and I will have Better Lives, and I will be able to help many people to have good educations and/or better lives too, I respect other people by their goodness, not by their years old, money, properties, status, position, and/or reputation 😊😊.

By the way, on 29 August 2026 at around 11:00 am, I just thought to sell My things to share (at least) a half of prices out with foreign people who lack necessary things in their lives, by donations. So, I would like to change the prices of My things from only 5,000 GBP to 150,000 GBP per item to be **5,000 GBP to 300,000 GBP per item**. ... Almighty or Allah told Me on 29 August 2026 at around midday "Angie, I told You that the prices of Your things must be from 5,000 GBP to 300,000 GBP per item because I know You and I know what You would do but You did not believe Me as You thought "That's too much!" and "The satanic is tempting Me!" ... Angie, did You see what happened? 😊😊"

Because I did not set the prices of My things but Almighty or Allah, so people who **do not** work the plan and successfully buy My things are blessed by Him and Heaven too 😊😊.

😊😊 See you 😊😊

😊😊 Best Wishes with Love 😊😊
