

Before selling and buying (6)

I told you in The Topic “Before selling and buying (5)” (2 September 2026);

““Before Almighty or Allah will turn back the time to 1987, I **will not definitely** sign My Signatures for any brands 😊😊.”

Whereas, because I aimed to help every foreign party who involves in selling and buying My things, so I changed My Plan;

If a reseller especially the reseller who is a good middle-class person, the reseller who is a group of good middle-class people, the reseller who is a good blue collar worker, the reseller who is a group of good blue collar workers, or the “mixed” reseller is lowered the price of My thing below its True Value, after Prince William and I will be at The Holy Home, if the owner of the brand wants to make a deal with Me such as wants Me to sign My Signature on his other products, I by advices of Almighty will request the owner of the brand and/or his company to newly repay for My thing to the reseller fairly 😊😊. However, I and Almighty will be fair to all the foreign parties, not only a reseller but owners of brands also 😊😊. ... As everyone who is allowed to be in The New Better World, is not people who aim at taking an advantage of others or troublemakers but is the people who are generous and kind 😊😊.”

I also told you many times “There are owners of brands, good millionaires, good billionaires, and good collectors”

And My Many Words may make many people who aims to buy My thing (or things) to strongly believe “If I (or we) can possess a thing (or things) of Angie, I (or we) will become rich soon”

Therefore, Almighty has reminded Me of beware of My Words because in This World, there are many types of people.

As a result, I by The Advice of Almighty to beware of My Words as in This World, there are many types of people, would like you who aims (or aim) to buy My thing (or things) to agree with Me before buying My thing (or things);

I intended to help every foreign party who involves in selling and buying My thing (or things). **Although there are the owners of the brands, good investors, the good millionaires, the good billionaires, and the good collectors, it does not mean that My all things will be resold at a price that helps an owner become rich. I want to be rich because if I become rich, My Parents, My Group, and I will have Better Lives and I will be able to help many foreign people to have good educations and better lives too. So, I will post My things which are diversity and I forecast that I will gain much profits from the things but it does not mean that because I forecast**

that I will gain much profits from the things, so a reseller will gain much profits from the thing too. A buyer (or buyers) who aims (or aim) to become a reseller (or resellers) yourself (or yourselves) have to forecast by yourself (or yourselves) which one of My things will help you to gain much profits, but which one will not help you to gain much profits. As a smart investor (or investors), you need to learn too 😊😊.

(Almighty advised you one of the lessons which every smart investor has to know on 10 September 2026 at 6:35 am “To gain much profits later, smart investors may need to take time. For this case: The more the time the smart investors takes, the more the much profits the smart investors will receive 😊😊”)

An important agreement is that I do not want anyone to prosecute Me because My thing (or things) does not (or do not) help you to gain amounts of profits which you feel satisfied or feel pleased and/or dishonestly and/or trickily prosecute Me. Court Cases between I and the satanic will make Me busy enough 😊😊. And many defendants of The Court Cases between I and the satanic will make Me heartache enough too (Because everyone knows how I feel about foreign people 😊😊.) Therefore, because I Wish foreign people The Best and with Love, and because I run My Business with My Good Intentions, so please do not be a person (or people) who make Me **more heartache** and/or busier 😊😊.

Last, everyone (including Me 😊😊) wants much profits from his business 😊😊. But he must not “too much” take an advantage of other people 😊😊. And he must run his business honestly and sincerely too. So, once again: After Prince William and I will have been at The Holy Home, if there is (or are) the new deal (or the new deals), I and Almighty will be fair to all the foreign parties, not only a reseller but the owners of the brands, the good investors, the good millionaires, the good billionaires, and the good collectors also 😊😊.

😊😊 See you 😊😊

😊😊 Best Wishes with Love 😊😊

😊😊 Angie 😊😊
