

Betrayal

(4 May 2025)

(I wrote these truths and tried to post them and the topic "They knew themselves!" on My Website in the morning of 4 May 2025 on which is the coronation day of pimp king mha Vajiralongkorn in 2025, but I could not. The Father Almighty or another name is Allah told Me "Pimp king Bhumibol was afraid of pimp king mha Vajiralongkorn would know their plan. Thus, he wanted Prayuth Jun-o-cha to find a way to solve the problem before". So, I could post them on My Website in the afternoon of 4 May 2025!)

While I was having lunch on 3 May 2025, I heard the voice of prostitute princess Ubolratana Rajakanya "ทำไมไม่รักน้อง?" or can be translated in The English Language "Why do not You love Your younger sister?"

So, I angrily asked her "ทำไมไม่รักไอ้เจียนไอ้บ้าหม้อน้องชายของมึง ทำไมพวกมึงวางแผนใส่ร้ายมัน?" or can be translated in The English Language "Why do not you love pimp king mha Vajiralongkorn who is your younger brother? Why do you, your parents, and your all sisters planned to throw your all guilts to him and his families?"

After that, I thought of her voice which I heard long time ago "พวกเราต้องตัดเนื้อร้ายของพวกเราทิ้งก่อน!" or can be translated in The English Language "We must cut our "cancer" off before!"

Next, The Father Almighty or another name is Allah told Me "มันมีประวัติเรื่องบ้าหม้อ" or can be translated in The English Language "Pimp king mha Vajiralongkorn is notorious for crazy about women"

Then, I thought of a photo which I saw once while I was going online internet many years ago. The photo was prostitute queen Suthida was paying respect to prostitute princess mha Chakri Sirindhorn.

In the photo, prostitute queen Suthida bowed her head and bended her knees until her knees very nearly touched the floor.

After that, The Father hinted Me "Angie. Prostitute Suthida did like she knew what the future will be"

Next, The Father told Me "Angie. While prostitute Suthida was paying respect to prostitute Sirindhorn, prostitute Suthida thought "I am paying respect to Her Majesty The Queen because she will be the queen of Thailand!" and "The future queen of Thailand is homosexual, so I will be able to rely on her!"

The Father also told Me "Angie. The face of prostitute Sirindhorn seemed to be odd because she thought "The action of Suthida will make Vajiralongkorn know our plan!"

After that, I thought ***“Pimp king mha Vajiralongkorn is notorious for crazy about women, so he will be died by women!”***

And then, The Father told Me “คนหาผู้หญิงให้มันนะ ... ทหาร!” or can be translated in the English Language “People who offer women to pimp king mha Vajiralongkorn are Thai soldiers!”

Next, I heard a question “Who offered prostitute Suthida to pimp king mha Vajiralongkorn?” And then, an answer “Prayuth!”

Later on, The Father told Me “Each group of Thai soldiers wants to balance each other’s power. Therefore, each group of the Thai soldiers offers women to pimp king mha Vajiralongkorn!”

After a while, The Father told Me “ในหลวงจะสั่งเก็บประยุทธ์ตรงจากเยอรมันเลย!” or can be translated in The English Language “Pimp king mha Vajiralongkorn will directly order his henchmen to kill Prayuth Jun-o-cha from Germany!”

...

Thai people are showing the truth of betrayal. Thai women as the leaders of all wicked harlots all over the world are showing examples of pretending to love and having sex before killing, prostitute queen Suthida as an example.

Another example is prostitute princess Chulabhorn Walailak. She had sex with crown prince Vajiralongkorn until she gave birth prostitute princess Siribhachudhabhorn. Thus, pimp king mha Vajiralongkorn is one of her unofficial husbands and the father of her daughter. But she has worked with her parents and her all sisters to throw their all guilts on pimp king mha Vajiralongkorn and his families to see pimp king mha Vajiralongkorn and his families die!

... Ones have to be afraid of the word “betrayal” because “betrayal” is not done by your enemies! ...

... I mean that ...

... “People who betray you are not your enemies!” ...

And

***... “how betrayal hurts ones’ feelings”
are up to not only levels of an intimation between he and people he trusts
but also what types of their collaborative work!***
