

Big decision (7 January 2025)

Will, I heard the news from Google “King Charles takes big decision for monarchy as William set to take over”

Will, I am not sure what King Charles, You, and Harry are doing but I would like to warn You that if You want to use this way to prove to court of law “Who else ordered”, David Cameron, Rishi Sunak, Kate, Camilla, Meghan, and their co-workers ***can alibi*** “If you believe “Rishi Sunak ordered The God to help him to be “the youngest British Prime Minister at 42 years old””, why do not you believe “Prince William ordered The God to help Him to be “The Youngest King at 42 years old”” too?”

Will, pimp king Bhumibol, the satanic Chakri dynasty, their all consultants, and many gangsters in their gangs are ***tricky*** and ***excellent in deception***. So, they prepared many evil ways ***for fooling*** judges and juries at every court of law ***into confusing*** “Whose orders”. Will, did You see what have happened for ***24 years***? And Will, every judge must judge every defendant ***without*** any biases, and a defendant will be judged to be convicted of a crime and/or a felony after a plaintiff and/or a state attorney can prove his crime and/or his felony ***undoubtedly***.

Will, I would like to repeat My Words again: As of lately, I heard the voice of prostitute princess Ubolratana Rajakanya “We still have ***a chance to win*** at courts of law of countries that their citizens do not respect The God, courts of law of countries that almost of their citizens are illiteracy, and courts of law of countries that almost of their citizens are wicked!” ***Will, if We lose at those courts of law, who will compensate compensations and interests?***

Will, if You think “We will proceed Our court cases at International Criminal Court or ICC”, Will, think over: How many countries that are not members of ICC? Will, how many countries that do not ratify “Universal Declaration of Human Right”? Will, some countries want to still be “an underdeveloped country” to get donation money for their state budget, right? And Will, I need a large amount of compensations and interests.

Will, the best way for Us is that You have to fast start to show Your Real Intentions to the world before. Will, I explained this point many, many times, so I will not explain again.

Will, this time is not only the time to make a big decision of King Charles but also the time to make Your big decision!
