

Could you figure the truths out what real all the Thai people and real Thailand are?

(9 October 2025)

(I wrote these truths from 7 October 2025 to 9 October 2025, and posted them on My Website on 9 October 2025.

Please read them all.)

The Father Almighty or Allah told Me to re-spotlight an important truth The Father had told Me and I had told you a long time ago;

“Pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people prepared many foreign people for lying to other foreign people “All Thai people are nice, kind, generous, and friendly. And Thailand is nice for living. Thai people who are wicked are just a tiny group. You do not have to be a stereotype like Angie!” ...

... To help their lies to be creditable, pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, and their all consultants let them live and/or work in Thailand and/or marry Thai people. ...

... Angie. All the Thai people planned to tempt the foreign people who are fooled by the lies “All Thai people are nice, kind, generous, and friendly. And Thailand is nice for living.” into being drug addicts and/or drug sellers”

The Father told Me “Angie, natures of many foreign people in this group are like the natures of all the Thai people. They do not like Queen Elizabeth and All Ethical Members of The British Monarchy Who are My Son, gods, and goddesses and do not like British people who are nice but they like pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and all the Thai people because they cannot stand people who are really nice. Many of the foreign people in this group not only are not good, but also never see “bearing of fruits in this life” or another word is “karmas in this life” before, with the result that although they knew Who I Am, they do not believe My Warning “Do not join the plan. If you joined the plan, you would be responsible for your deeds in the end!””

As a result, before you will decide to believe their lies about all the Thai people and Thailand, I would like you to carefully consider;

I never lie to anyone. I was born and grew up in A Middle-Class Family in Thailand. I never spent My Life abroad more than one week. The Thai language is My first language. Although My Natures are like western people who are nice, My All Appearance is like all the Thai people, not like the western people. And because I was born and grew up in Thailand, so I truly knew how a huge number of all the Thai people who are drug sellers and/or drug addicts, is. (Even pimp king Bhumibol and the satanic Chakri dynasty are the big bosses of the Thai soldier drug selling

gang. How about other gangs? And how about other Thai people? If it is not easy to find drugs in Thailand, why many diversity restaurants and many diversity coffee shops in Thailand have been able to put them into My foods and beverages many times?) These Thai people have also run their plan to make Me lose My Virginity, addict drugs, and suicide since I was just 11 years old. And now, less than one year, I will be 50 years old. Therefore, why do not I know how satanic of all the Thai people are?

Although some of the foreign people who are assigned to lie to the other foreign people have spent their lives in Thailand since before I was born, their appearances are the appearances of the foreign people and they speak foreign languages. I mean that all the Thai people can easily distinguish “They are not us”. And a disgusting thought of all the Thai people is “Foreign people have much money to give us. Thus, we need to treat them very well” with the result that all the Thai people do not treat the foreign people like they all treat Me. For these reasons and because I was born in A Middle-Class Family, not in a millionaire family, and I am not a princess by birth, so, once again: Why do not I know how satanic of all the Thai people are?

All the Thai people may excuse “We used to treat Angie the worst because we believed the rumours which Ad-harn family and their gangs had frequently launched about Her” But if it is the truth, why they all have still treated Me and My Parents more than the worst and have tried to bury many scars in My Heart after they all knew “What the real Angie is”? ...

... Could you notice that they all knew “Angie’s Soul is A Soul of The Holy Baby Girl” but they all have tried to do their best to make Me have “sexual emotions” by ordering The Father to control Me to masturbate many times and putting drug facilitated sexual assaults into My foods and beverages many times too? ...

... Could you notice that I never envy, never lie to, and never cheat anyone in that The Father created Me to be the best to be the best example of how humans have to be, but they all have tried to do their best to make Me envy, lie to, and cheat others, and to make Me to be like “other people” whom they all call “normal people”? ...

...Could you notice that they all have worked altogether to change My Face from “adorable” to be “ugly”, to change My Body from “slender” to be “very fat”, and to change My Manners from “perfect” to be “low class”? ...

... Could you notice that I have an ability to choose beautiful and/or adorable things to buy, so they all have worked altogether to order The Father to destroy many of My things and/or to make some of My things disappear? ...

... Could you notice that after they all knew that I am a genius, they all have worked with Nok to put poisons which have a power to destroy My Brain into My foods and beverages? ...

... And could you notice that after they all knew that I almost survive to marry Prince William, they all have worked with Nok to put poisons which have a power to destroy My Vagina into My foods and beverages not to let Me have a baby or babies with Prince William? ...

... So, could you figure it out how satanic of all the Thai people are?

A significant truth is that pimp king Bhumibol and all members of the satanic Chakri dynasty decided to continue running the devil's dirty plan because they all strongly envy Queen Elizabeth, Prince Philip, Me, Prince William, My Parents, Prince Harry, Prince Harry's Soulmate, King Charles, Princess Diana, All Ethical Members of The British Monarchy, All Ethical Monarchies in Europe, and the western people who are nice. Think twice: Even the Thai kings and the Thai dynasty are like these, so, what real all the ordinary Thai people are?

You do not need to find other examples so far. Even Nok who was born as a child of My Parents after Me and grew up with Me in Thailand, decided to work the devil's dirty plan because she strongly envies Me until she wants to see Me be severely tormented 'til I die. She has still worked the plan such as put many kinds of poisons into foods and beverages for Me and My Parents even though I forgave them all and disseminated My Compassion to them all. So, once again: What real all the Thai people are?

Another significant truth is that I am The Most Optimistic Girl. So, if I see something wicked in others, what real the others are?

I may not know real the British people and real the western people whom they aim to blacken, but I know all the Thai people and Thailand very well!

However, to succeed in the devil's dirty plan, from the start to around 2013, all the Thai people worked altogether to order The Father to control My Thought not to remember how satanic of all the Thai people are!

Because all the Thai people did not let The Father tell all truths of them to Me at the start and they all worked altogether to order The Father to control My Thought not to remember how satanic of all the Thai people are, so before 2013, I did not know "Pimp king Bhumibol and the satanic Chakri dynasty are the big bosses of the Thai soldier drug-selling gang" and before 2016, the only one wicked top secret of the Thai dynasty and all the Thai people which I did not know was "They all are "screw (promiscuous)!"". The Father told Me "Angie, because You have truly

known what real all the Thai people and real Thailand are since You were a junior student of Thammasat University, so if I had a chance to tell these truths to You at the start like I had a chance to tell these truths to some foreign people at the start, You would undoubtedly know “They are the truths” at once!

(I have truly known what real all the Thai people and real Thailand are since I was a junior student of Thammasat University in 1995 – 1996 (I studied the bachelor degree at Thammasat University from 1993 – 1997) with the result that after I had just graduated the bachelor degree, I requested The Father to start My New Life abroad. But The Father did not allow Me to start My New Life abroad because they all would succeed in blackening a country where I started My New Life in later!)

Did you see what else I have been faced in Thailand for around 26 years? And did you see what else many foreign people all over the world including our babies, our toddlers, our kids, our children, and our new generation have been faced because all the Thai people have been able to order The Father to do as their wicked minds (in that I, My Parents, and My Group have been still detained in Thailand) for around 26 years?

Could you figure the truths out what real all the Thai people and real Thailand are?

Note: Once, while I was doubting “Foreign men who were fooled into parenting a child or children of another man by Thai women and a lie “I was pregnant with you”, may be nice”, The Father told Me “Angie. An Everlasting Law is “Law of Attraction”: A wicked person attracts and is able to live with another wicked person. A good person is not able to live with a wicked person!” (The Father told Me in the Thai language “ต้องเหี้ยกับเหี้ยถึงจะอยู่ด้วยกันได้”) The Father also told Me “Angie, You will know the foreign men who were fooled by the lie by noticing “How long he has spent the marriage life with a Thai woman?” and “Is the marriage life smooth and happy or unsmooth and unhappy?”
