

Dear Irish people, Scottish people, and Welsh people

I would like to remind you all of Prince William of The British Monarchy is The Youngest Son of Almighty. I am The Youngest Daughter and The Youngest Child of Almighty. Prince Harry and Prince Harry's Soulmate are The Children of Almighty. And Queen Elizabeth, Prince Philip, Queen's Mom, King Charles, Queen Diana, and All Ethical Members of The British Monarchy are The People of Almighty. Because of that, Most of English People are The Citizens of Almighty and England is The Land of Almighty.

I love to be An Ordinary Girl. I never want to be A Princess or Princess of Wales. The Only One Reason why I will surrender to be The Princess of A Prince is that The Prince is only Prince William of The British Monarchy. Because The Princess of Prince William live with Prince William and spend My Life with Prince William.

Although I have not gone back Home Where is England, I have been able to periodically feel Love and Encouragement from Most of The English People who are The Citizens of Almighty. As The Youngest Child of Almighty Who have gotten The Love and The Encouragement from Most of The English People who are The Citizens of Almighty, I cannot stand others hurt and/or torment Most of The English People who are The Citizens of Almighty and I cannot stand the others destroy England Where is The Land of Almighty.

The time has passed around 27 years to help Me to know that you all never unite your hearts with Most of The English People who are The Citizens of Almighty and England Where is The Land of Almighty.

I never want to be A Princess of the people who do not want Me to be their Princess. Therefore, if you all do not want to be The Citizens of Almighty, it is My Great Pleasure to see you all go out of being Our Beloved Citizens. But if you all completely go out of being Our Beloved Citizens, do not return to unite your hearts with Us All again ... You all will not be welcomed anymore.

If you all do not unite your hearts with Most of The English People who are The Citizens of Almighty but hurt and/or torment Us All, you all are out of The Heart of Almighty, Jesus, Prince William, Me, and The People of Almighty. ...

... We do not want quantity. We want Quality! ...

Sincerely,
Angie
(The Princess-to-be of Prince William)
