

Declaration on 18 June 2025
(I warned you all!)
(18 June 2025)

I would like to declare that;

I came to teach all good foreigners and all foreigners who can reform themselves to develop their minds to be higher to survive from Hell and The Eternal Flame and to up to Heaven. Although mongs and priests will learn how to be mongs and priests and how to intuit from Me, they are not The Main Missions The Father Almighty or Allah sent Me to be born.

Everyone has his own limit and Me too.

Although I forgave them and started to disseminate mercy to them on 31 May 2025, they still do not stop. They have ordered The Father to make Me and My Parents not to sleep enough extremely. And they have ordered The Father to make many flaws on My Face every day. But **now, I really want to be beautiful and want to dress up beautifully because I love Prince William. And The Father told Me “Angie, Will really wants to be handsome and wants to dress up smartly because He loves You too 😊😊”**

I have the right to be beautiful as My Nature and Prince William has the right to be handsome as His Nature too. All people who ordered The Father to change The Faces and The Figures of Mine and Prince William including making flaws on My Face have committed offences of tort against Me and Prince William. And the offences of tort can be sentenced both civil laws and criminal laws.

The sentences of the criminal laws are up to The Father **but I need compensations and interests. And The Father has told Me many times “If their all money cannot compensate all compensations and all interests, they must be brought to be cold-bloodedly tormented in this world instead of compensate all the compensations and all the interests. If they died before their sentences would be completed, they will be brought to be mercilessly tormented in Hell and The Eternal Flame instead!”**

How much the compensations and the interests all the people who have committed the offences of tort to Me and Prince William must compensate are up to The Father but **I and Prince William will not surrender to be compensated by not much money.** And The Father told Me **“Angie, I will calculate how many flaws on Your Faces and Bodies, how many abnormal things on Your Faces and Bodies, how many kilograms (or pounds) they ordered Me to make You and Will fat, how many times they ordered Me, how long they have ordered Me to change Your Faces and Figures, and the highest rate of the interests to compensate You and Will!”**

By the way, all people who have worked the plan and cannot reform yourselves have committed **the offences of tort to The Lives, The Bodies, The Health, The Reputations, The Properties, and The Freedom of Mine, Prince William, My Parents, My Group, Prince Harry, Prince Harry’s Soulmate, King Charles, The Parents of Prince Harry’s Soulmate, and your all victims. You have violated Our All Human Rights including Our Human Dignities. And You have been old offenders since the times you agreed to work the plan. These offences can be sentenced both the civil laws and the criminal laws. And once again: The Father has told Me many times “If their all money cannot compensate all the compensations and all the interests, they must be brought to be cold-bloodedly tormented in this world instead of compensate all the compensations and all the interests. If they died before their sentences would be completed, they will be brought to be mercilessly tormented in Hell and The Eternal Flame instead!”**

The Father told Me **“Angie, they all must compensate huge compensations and interests for You, Will, Your Parents, Your Group, Harry, Harry’s Soulmate, Daddy Charles, The Parents of Harry’s Soulmate, and their all victims!”**

The Father knows everything including who else ordered, who else stopped, and who else continually ordered Him. And He will be The Best Witness for Us and your all victims at every court of law!

I assumed that all the prostitute members and all the pimp members of the satanic Chakri dynasty, all notorious harlots, all the people who have worked the plan, and all cosmetic brands that have ordered The Father to make flaws on My Face know how The Father will calculate the compensations and the interests for Us and your all victims!

I warned you all!

.....
