

## ***Did you see the deed of teacher sister Ann?***

**(6 January 2026)**

**(Please read them all.)**

On 28 December 2025, I had a chance to read a piece of news on Line application. The news was about “Warintorn Euawasinthorn”, a famous Thai tutor who teaches The English Language and is called “Kru Ann” or “Teacher sister Ann”.

Ann told everyone “When I was at an international airport, there was a western man shouted “Ni hao!” to me. I immediately felt that he was looking down on Asian people. Hence, I went straight on to him and asked him in an angrily mood “Did you say Ni Hao to Me?””

Points which I doubted are;

1) The western man just said “Ni Hao” in a good mood to her, why did she immediately feel that he was looking down on the Asian people? Or her deep mind looks down on all the Chinese people, all the Asian people, and herself?

(The Father Almighty or Allah told Me “Angie, the western man has heard Your Thought say “Ni Hao Ma” many, many times. And he knows that Your Ancestors were Chinese. So, he just wanted to be friendly with Chinese people whom he met!”)

2) Because Ann’s appearance is like a Chinese woman, so when she was asking the western man the question in the angrily mood, why did not she tell him “I am Thai, not Chinese”? Or she wanted him to understand that she is Chinese to make him feel bad about the Chinese people?

(The Father asked Me “Angie, You still have not known how many cases like this case has been occurred all over the world by many Thai people!”)

The Father answered Me later: “Angie, because You came, so all the foreign people all over the world will be cordial with one another. But all the Thai people have many tricks to “set people by the ears” to make them feel bad with one another and then quarrel with one another!”

The Father told Me “Angie. All the Thai people do not really want all the foreign people all over the world to be friendly with one another. One of their wicked reasons is that they all really knew how all the good foreign people all over the world and all the foreign people who can reform themselves all over the world will feel about them in the end because of their satanic deeds!”
