(Ask many Chinese people: Is it right to be grateful for people who teach you to do like these?)

(5 December 2025)

(I wrote these truths from 4 December 2025 to 5 December 2025, and posted them on My Website on 5 December 2025. Please read them all.)

The Father Almighty or Allah told Me “Angie. Many Chinese people who work the plan have thought “We should be grateful for king Bhumibol, the satanic Chakri dynasty, and Thailand in that they all have helped us to earn much money for our lives and have helped us to develop our country””

So, before you will show your grateful for them, I would like you to carefully think over;

Grateful is a feeling to thank someone who helps us such as help us to succeed in something or help us to get something.

Pimp king Bhumibol, the satanic Chakri dynasty, and Thailand have helped you but how they have helped you?

They have helped you by teaching you to order The Father Who is at The Zenith in Heaven along with teaching you to make the western countries to be like “slum” which are the mortal sin, right?

So that, do you dare to accept in front of the good especially the good who are your victims and do you dare to accept in front of Hell and Fire what you have done?

If you are afraid of the acceptances, it shows that you yourself know that you yourself do wrong and/or commit illegal and/or offend sins and/or mortal sins. And who else teaches you to do wrong and/or commit illegal and/or offend sins and/or mortal sins?

If pimp king Bhumibol, the satanic Chakri dynasty, and Thailand wish you the best, why do they teach you to do wrong and/or commit illegal and/or offend sins and/or mortal sins? And why they have revealed the truths what you have done to Me Who am being opened My Mind and will be The Best Witness?

Another truth is that pimp king Bhumibol, the satanic Chakri dynasty, and their all consultants know psychology. Hence, they all know that after you had agreed to work the plan, you would become the felons the same as them. Thus, you will do everything to run away from your felonies alongside with them.

So, think twice once again: Why they have revealed the truths what you have done to Me Who am being opened My Mind and will be The Best Witness?

Two of the reasons which I know are that they want you who are their co-felons to do everything to help them to succeed in running away from their felonies. If they do not succeed in running away from their felonies, they want you to help them to compensate a large number of compensations and interests with them as their co-felons in that one of their natures is "If we get a disaster, others including our co-workers must get the disaster along with us!" with the result that one of their thoughts is "You work the plan with us. Why do you let us be sentenced alone?". ... Did you know what I want to tell you?

Therefore, should you be grateful for the people who do like these?

And an important question is that if citizens of a country did to you and your country the same as you and your country did to the western people and their countries, how would you think and feel?

As a result, think through: should you be grateful for the people who teach you to do like these?

After you read this topic until this line, are you able to answer should you be grateful for pimp king Bhumibol, the satanic Chakri dynasty, and Thailand?

By the way, I would like you to know that I wrote this topic in hope that not all the Chinese people work the plan, and the Chinese people who work the plan will stop working the plan. Because One of The Teachings of The Father is that to help everyone to see examples of pimp king Bhumibol, all members of the satanic Chakri dynasty, all the Thai people, and people who order The Father: When a man has a power to do anything, he uses the power to tyrannize, torment, and kill others. So, when he is out of the power and he does not have any of the power to do anything anymore, what else will happen to him? ...
