

Do you think what they all are?

(18 April 2026)

(Please read them all.)

Because;

1) Pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, and their all consultants knew that My Hypothalamus works abnormal. It cannot normally release heat out of My Brain and Body with the result that I cannot stand hot weather.

2) They all live at places where have air-conditioners. And they all have much money to pay for much electricity costs, so they all can turn on the air-conditioners almost all days and almost all nights.

And

3) If I survive, Prince William and I will show Our True Love to Each Other. But the truths of them about swinging and promiscuous will be confirmed to The World by Almighty or Allah.

So, they all have ordered Almighty to make Whole The World have so very much hot weather and heat waves. Because if only Thailand had so very much hot weather and heat waves, foreign people would easily catch up their plan which is to kill Me, My Parents, and My Group by the hot weather and the heat waves. And although this situation will not happen because I, Prince William, Prince Harry, Prince Harry's Soulmate, and Almighty's People were sent to be born, they all planned to excuse "It is because El-Nin-Yo!"

Before I would start to type This Topic, Almighty had underlined the significant truths to Me again "Angie. All the Thai people cannot bear good people!" and "Angie. All the Thai people know how love is but it has no love in Thailand!"

Do you think what they all are?
