

## ***Fake***

***(16 August 2025)***

I would like British people who are compatriots including British lawyers who are compatriots to know that pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, and their all consultants who have **very wickedly envious** minds, and also their co-workers have prepared something significant for **blackening** Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, and the UK.

Something significant is that;

1) If you know that most of Thai people who escape from the law enforcement process of Thailand are gathered in the UK, could you forecast how they all will **"fake"** to foreign people to **blacken** Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, and the UK? Examples of the Thai people are "Yingluck Shinawatra", nickname "Poo", and "Vorayuth Yoovidhya", nickname "Boss".

2) If you know that many Thai people have lived in the UK, could you forecast how they all will **"fake"** to the foreign people to **blacken** Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, British people, and the UK?

3) The Father Almighty or Allah told Me "Angie, because Cayman Islands are a British Overseas Territory, but are famous for laundering dirty money and tax evasion, so pimp king Bhumibol, prostitute queen Sirikit, pimp mha Vajiralongkorn, the satanic Chakri dynasty, their all consultants, and their co-workers have prepared **fake** witnesses and **fake** evidences for **blackening** Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, and many British people: "The British Monarchy and many British people have laundered their dirty money at Cayman Islands!"

Last, I would like to spotlight one of their important **"fakes"** again: They all planned to **"fake"** to the foreign people: "Angie asked The God for starting Her New Life abroad after She had graduated a bachelor degree in 1997. But why The God did not let Her start Her New Life abroad? It is because Thailand where She was born, grew up, and moulded Her to be "The Best" as The Will of The God is the best country for Her to live and to start teaching. Another reason is that if The God let Angie start Her New Life abroad in 1997, Angie would really know that Thailand is not the worst, but many countries of the white such as the US, the UK, and Australia are the worst!"
