I told you “Because I live with hope, so they all strongly want to destroy My all hopes not to have any hopes left”

Therefore, to encourage Me to stay alive, to keep fighting, to stay strong, and not to give up, The Father Almighty or Allah not only teaches Me “Angie. There are types of evil foreign people such as the evil foreign people who think “Angie. I myself will teach You “This world is not as pure as Your Sight. And others are not as nice as You think. But this world is cruel and plenty of the wicked!”” and the evil foreign people who think “Angie is so cute. Thus, She must be died by myself!”, but The Father also frequently points Me to see the truth “Angie, there are types of nice foreign people and foreign people whom You can teach not to go to Hell and Fire like Plant Base Gabriel and many foreign people who come to Thailand to see You to encourage You to keep fighting and continue living with hope. **Angie, You were sent to be born for the latter types. And Angie, most of the foreign people in the latter types knew that You were born for them** 😊😊😊😊. ...
