

## ***From Almighty to the US government***

***(28 February 2026)***

***(Please read them all.)***

Almighty or Allah actually wants Me to tell these truths to the US government instead of Him;

Before all else, I would like the US government to know that since around 2007, I have periodically had chances to read articles for “true Thai patriots” in the Thai language. Details in the articles are about “The US government has tried to overthrow the royal institute of Thailand and all around the world”

On 18 February 2026, I had a chance to read this type of article again. Let me cursorily tell you what the article tells readers;

“The revelation of undermining the royal institute of Thailand since 2007 (Compiled from the article of Phumrat Thaksadipong, **Former Director of the National Intelligence Agency**);

Since 2007, the acts of undermining the royal institute of Thailand by anti-monarchy group have been abnormally occurred. The group has revealed itself and has not been afraid of laws.

The group has moved forward not only in Thailand but also abroad especially in the US. by lobbyists who work for famous law firms and who work for public relation companies. 3 lobbyist companies are hired by somebody 1.1 million USD / a year to lobby members of the US parliament and the US government for his own political benefits. But the side effect is that American politicians have become anti-monarchy like never before.

The anti-monarchy group in the US has become much strong. The group in the US has websites which publicize articles in various languages. Most of the articles came from 2 American people:

1) J.K. of Council on Foreign Relation.

And

2) A.M.M. who has accepted “I am hired to do this work”. He took some court cases for attacking article 112 of the criminal code of Thailand to link to king Bhumibol.

In 2011 when king Bhumibol was 84 years old, **American** lobbyists sent members of the US parliament fake information about king Bhumibol with the result that the members of the US parliament were fooled and United States House of Representatives did not send a book of blessings to king Bhumibol which has done traditionally. But US senate himself sent the book of blessings to king Bhumibol instead. It shows that the **American** lobbyists work for the Thai master effectively. In that the US parliament misunderstood king Bhumibol and became the opponents of king Bhumibol.

It is not enough. Some US institutes such as National Endowment for Democracy gave US budget to the anti-monarchy group due to the group had requested.”

(Could you notice that at the start this article had talked about the Thai lobbyists but when this article came to the previous paragraphs, this article started diverting the nationality of the lobbyists from Thai to be American?)

**A part of this article could be concluded that if the Thai royal institute does not stand up and fight, the US will stand alongside with “the democratic side” which is oppose to the Thai royal institute. And it is a signal to all the countries that have the royal institutes such as the UK and Japan, and China that has always supported the Thai royal institute.**

And 4 paragraphs at the end of this article were written;

“ไทยถูกคุกคามด้วยสงครามยุคใหม่ ทั้งสงครามอสมมาตร เช่นการก่อความรุนแรงช่วงเดือน เม.ย. - พ.ค. 2553 และสถานการณ์ความรุนแรงใน 3 จังหวัดชายแดนภาคใต้ สงครามทุน และสงครามไซเบอร์ สงครามทั้งสามนี้ มีศูนย์กลางอยู่ที่สหรัฐ แต่มีสนามรบทั่วโลก

(Or can be translated in The English Language;

Thailand is threatened by wars of the new era: Asymmetric Warfare such as the violence from April 2010 – May 2010 and the violence in 3 southern provinces of Thailand, Capital War, and Cyber War. **These 3 wars have the centre in the US but have battlefields all around the world.**)

ในไทย สหรัฐต้องการใช้สนามบินอุตะเภาเป็น Global Transpark ตอบสนองยุทธศาสตร์ของสหรัฐในภูมิภาคนี้ มีข่าวว่า สหรัฐได้ส่งทหารรับจ้างที่เป็นทหารผ่านศึกแบบแรมโบ้ที่เรียกว่า “แบล็ควอเตอร์” ประมาณ 5 – 6 ชุดมาประจำอยู่ในไทย โดยแต่ละคนได้รับค่าจ้างปีละ 1.1 ล้านดอลลาร์สหรัฐ เบี้ยเลี้ยงต่างหาก เพื่อใช้ในการปฏิบัติการลับ (Covert Action) ตามนโยบายของสหรัฐ ซึ่งอเมริกาถนัดเรื่องพวกนี้มากและประสบความสำเร็จในละตินอเมริกามาแล้ว

(Or can be translated in The English Language;

The US wants to use “U-Tapao Rayong-Pattaya International Airport” in Thailand for being “Global Transpark” for responding the US strategy in this region. There was the news “The US has sent mercenaries who were veterans like “Rambo” called “Black Water” around 5 – 6 groups to work in Thailand” Each mercenary has received wage 1.1 million USD / a year excluded daily allowance. Their mission is “Covert Action” as the US policy. **The US is an expert for this issue and succeeded in the issue in Latin America.)**

อันตรายที่เกิดขึ้นต่อสถาบันพระมหากษัตริย์ไทยนั้นเป็นเรื่องจริงและหนักหนาชาติและสถาบันกำลังเสี่ยงอันตรายอย่างคาดไม่ถึง สิ่งที่เห็นในไทยและในต่างประเทศเป็นเพียง “ยอดภูเขาน้ำแข็ง” ที่โผล่เหนือน้ำเพียง 1 ส่วน แต่อีก 9 ส่วนอยู่ในน้ำ

(Or can be translated in The English Language;

Dangers which have happened to the Thai royal institute are real and very serious. Our nation and our royal institute are being in dangerous risks unpredictably. Whatever we see in Thailand and abroad is just “the top of the iceberg” protruding above the water only 1 part, but the remaining 9 parts are underwater.)

บทความนี้ไม่ต้องการให้คนไทยไปต่อต้านสหรัฐ เพียงแต่ขอให้เพื่อนคนไทยอย่าปล่อยให้คนมาทำร้ายประเทศชาติและราชบัลลังก์เท่านั้น ปัญหาของประเทศไทยต้องแก้ด้วยคนไทยเป็นหลัก เราต้องช่วยกันเป็นปราการด่านสุดท้ายในการปกป้องชาติและราชบัลลังก์ ให้ต่างชาติได้ตระหนักว่า สถาบันสูงสุดยังสู้ และคนไทยพร้อมจะสู้เพื่อปกป้องสถาบันสำคัญยิ่งของชาติ”

(Or can be translated in The English Language;

This article is not been in need of Thai people to be anti-America, but is been in need of my Thai compatriots not to let others hurt our nation and the Thai throne. Thailand’s problems must be solved by the Thai people. We must help one another to be the last line of defence to protect our nation and the Thai throne. Therefore, foreign people will know that the Thai highest institute and all the Thai people are ready to fight to protect our most important institute.)

...

*(To be continued on the next page ...)*

Almighty wants Me to ask and tell the US government instead of Him;

After you had finished reading the article above, did you know that pimp king Bhumibol, prostitute queen Sirikit, all the offspring of prostitute queen Sirikit, their all consultants, and the Thai troop have **planned to throw their all wrongs on** you all and the US since before 1960 when the Thai troop started allying with the US troop? I mean that your best friends have aimed at **betray** you all and the US since the beginning of making friends. And from the article above, could you all who are their very importantly main co-workers forecast what else they all planned to **excuse by blackening** you and the US?

Almighty told Me to tell you;

“Angie. Tell the US government: Prepare yourselves for handling the betrayal by your best friends who are **wickedly tricky cunning** but you have praised them “You are the cleverest!””

.....
